o que no recuerda haber hecho tal manifestacion. La actual pregunta, quitandosele la marca puede interpretarse "si hizo esa manifestacion pudo hacer la concienzudamente? Sometemos que son meras opiniones y no hechos lo que se pide con esta pregunta.

SR. DELGADO:) Sometemos que esta pregunta es exactamente la misma que si preguntaramos al testigo si habia algun hecho y circunstancia por las cuales se podia basar tal manifestacion. Ambas son cuestiones que tienden a mostrar la absoluta falta de base, de hecho, de tal manifestacion.

MR. BLOCK: - Esta es precisamente nuestra contencion. Si existen tales hechos y circunstancias, veamoslas. Pero es inutil tratar de hacernos tragar toda la pildora.

(SE LEVANTO LA SESION A LAS 12:00 P.M.)

November 23, 1927.

JUZGADO: - El testigo puede contestar.

R. - No.

P. - Porqué?

R. - Porque la porcion de la via de la compañia carbonera no era mejor que la porcion de la compañia de cemento.

P. - Refiriendome a la manifestacion del Sr. Moreno mencionada por Vd. en la pagina 660 de las repreguntas, le pido que examine la copia certificada de dicha manifestacion o report, expedida por la oficina del gobernador general y marcada exhibit 125 en este asunto, y digame si es o no este el statement a que me ha venido refiriendo en su testimonio?

R. - Es el mismo.

P. - En relacion con las preguntas y respuestas en la pagina 661, recibió alguna vez la junta directiva de la compañia de cemento de la junta de control una contestacion a su resolucion marcada exhibit 23 en este asunto, que a su vez se refiere a la resolucion de la junta de control marcada exhibit 108?

R. - No recibieron.

P. - Refiriendome a las preguntas y respuestas en la pagina 667, cual es la produccion mensual de la fabrica de cemento por los ocho ultimos meses?

Aloguinsan, Cebu, P. I.
July 7, 1938

The Provincial Treasurer as Agent
of the Philippine National Bank Agency
Cebu City, Cebu

Sir:

I beg leave to request extension of one year within which to pay my loan account with the Cebu Agency. I offer to pay 20% on account of the capital and all interests due on the loan.

The reasons for this request are as follows:

1. My crops failed due to locust infestation on the early part of the year 1937 and on the latter part, typhoons made considerable destruction of my lands.

2. On account of such inclement weather and the locust infestation, my coconut trees did not bear many fruits.

3. I could not sell what little corn I had harvested because I believe the price of corn this year will become high and so the corn I harvested from my farms will be used by us for home consumption.

Very truly yours,

SEGUNDO DAYANAN

1st Indorsement
THE PHILIPPINE NATIONAL BANK AGENCY
Aloguinsan, Cebu, July 7, 1938

Respectfully forwarded to the Agent, Cebu Agency, Philippine National Bank, recommending favorable action.

Mr. Dayanan had paid to this office the sum of ₱60 and ₱30, as principal and as interest, respectively, on this date, and for which an official receipt No.4316/868 was issued to him.

The causes leading to the debtors failure to meet his account on time are those stated in the letter of the debtor, according to my investigation.

The debtor's present sources of income, and his prospect of meeting the account within the propsed period of extension had also been investigated by the undersigned and found that altho his sources of income decreased a little due to locust infestation and typhoons, but his prospects of meeting the account on July 12, 1939, are almost certain.

The present property holdings of the co-macrks increased during last year.

G. M. CIUDADANO
