Sir:

In connection with the attached letter of the Asst. Adjutant General, PHILRYCOM, dated 28 February 1948 regarding my request for confirmation of rank from second to first lieutenant, I have the honor to request issuance of the corresponding confirmation order of promotion for the following reasons:

a. When I complied with the last paragraph, basic letter, I was advised by RPD to take up the matter directly with the AFP Finance Service;

b. Taking up the matter as advised, Finance Service prepared my voucher and before actually completing the papers for its payment (please see attached CN No. 1, Chief of Finance); the necessary issuance of orders was asked from the VAB;

c. In the VAB, the question of PHILRYCOM's confirmation and approval first, was raised before any recommendation for the issuance of confirmation order could be made in the affirmative.

In view of the above, it is requested that:

1. A clarification of the basic letter of PHILRYCOM as to whether or not it serves as confirmation of the promotion be made; and
2. That an order confirming my promotion from second to first lieutenant be issued to enable me to collect the difference due me.

In the light of the foregoing, it is requested that this matter be given preferential attention.

Dear

Your request for individual non-casualty guerrilla recognition, previously withdrawn from our files because of your failure to comply with the sixty-day time limit imposed by this headquarters for the return of supporting papers, has been investigated.

A special concession was granted all members of the Mount Sierra Regiment in that they were permitted to submit applications for individual guerrilla recognition after the revocation of this unit was announced. Each applicant signed a letter dated to the effect that he would submit within sixty (60) days of this date all supporting papers and documentary evidence and that failure to comply with this requirement would result in automatic withdrawal and closing of the claim. Thus, you were denied consideration since you failed to comply with the closing date and were informed of the action taken by this headquarters by letter, dated

Furthermore, records of this headquarters indicate that a period of more than one hundred and twenty (120) days, twice the period allotted to you, had elapsed prior to your submitting to this headquarters the evidence which you felt reflected favorably upon your claim.

Reinvestigation of all papers and documentary evidence submitted to this headquarters in behalf of the unit claim and an examination of the papers supporting your claim for individual guerrilla recognition fail to disclose sufficient evidence which would warrant granting you official recognition.

Cognizant of the concessions granted you as a member of the Mount Sierra Regiment and of the protracted investigation conducted, it is necessary to inform you that this decision constitutes the final determination of and action upon your claim for guerrilla recognition.

Sincerely,

R. E. CANTRELL
Captain, A. G. D.

Subject: Joint Activities of Squadrons 223 & 300, Jan. 11, 1945

To : Major Robert B. Lapham, C.O., USAFTE-LGAF
 Thru Captain Harry McKenzie, Area Commander, Nva. Ecuija Military area

1. EIGHT JAPANESE TRUCKS AMBUSHED- Eight Japanese trucks fully loaded with retreating Japanese Infantry men were ambushed by Squadron 300 and Squadron 223 early this morning at 2:50. The Squadron commanders of Squadrons 300 & 223, Lt. Alfonso Echivarre and Lt. Dominador T. Briones decided to conduct joint operation in ambushing the Japanese. Lt. Echivarre loaned the necessary arms including the Cal. 30 machinegun to Squadron 223 while the other arms for Squadron 300. The ambushing party was accompanied by Lt. Dominador T. Briones and Lt. Jose V. de Vera including Staff Sergeant Bernardo Benjamin. Lt. Dominador T. Briones Commanding Officer of Squadron 223 took command of the joint operation. The party arrived at the vicinity of the ambush 10:00 o'clock pm, Jan. 10, and waited for a chance to strike. While waiting for a chance to strike, reconnaissance patrol under Lt. Jose V. de Vera was sent out to spy out movements of the enemy. There was a heavy movement of the enemy from the time we arrived at the scene up to early this morning. Counted out so far, totals approximately one regiment (3300) men. There were artillery pieces carried by the Japs. It is believed that these contingent is the rear echelon of the Japs. They were moving Southeast.

Squadrons 300 and 223 opened fire at the eight (8) trucks at exactly 2:50 am, Jan. 11th. The fire continued for five minutes without being answered by the enemy whence, the order to withdraw was given. Just then, the Japs fired point-blank, even shooting up flare to locate our positions.

CASUALTY:- Three Japanese soldiers killed and 2 trucks disabled and turned turtle near the ditch. There are also several soldiers of the Japanese wounded.

2. SAN ROQUE BLOWN UP INTO PIECES: - This morning, Jan. 11, 1945, just after the ambush in Parista by the Joint forces of Squadron 300 and 223, a detail under Corporal Jose Beleno, succeeded in blowing up the San Roque bridge into pieces, by the use of the 75 mm shell. At first, the shell misfired. Corporal Jose Beleno after having been assured that the shell misfired, dashed to it, grabbed the shell, pulled out the fuse, and ordered his men to get dry "talahib" which he used in wrapping the bomb. Just as Beleno was igniting the talahib, five Japanese about 300 yards from the scene going on patrol, fired at him but missed their targets. Corporal Jose Beleno hurriedly ignited the shell and ran for safety. The shell exploded and torn the bridge into fragments. The blowing up of the San Roque bridge will no doubt give a big delay to the retreating enemy troops as the banks of this creek are about five (5) meters deep.

Squadron No. 223

To: Commanding Officer, USAFFE-IGAF
Rosales, Pangasinan

1. The Battalion Commander of the 64th Field Artillery Battalion, 25th Division, to whom we are attached has requested for a copy of the recognition papers of Squadron No. 223 but we are unable to give same on account of the fact that we have no copy nor we are informed definitely that this Squadron No. 223 had already been given official recognition. We are definitely sure, however, that Squadron No. 223 had been turned in for proper recognition, as we have a copy of the letter to this effect.

2. This request of the Battalion Commander of the 64th Field came as a result of orders from the Division Artillery Headquarters wherein the papers are badly needed in connection with payments, adjustments, etc. being made by the ALF in favor of not only the Squadron but also other Guerrilla outfits attached with the 25th Division.

The Japs continue to come in. Practically all residential houses, big or small, are now occupied as quarters by the Japs.
2. PASSING OF 2,000 JAPS OVER DUPAO - On the night of Jan. 2, more or less at about 8:00, mixed units of Japanese composed of infantry, cavalry and artillery, marched in long caravan up to as early as 6:00 A.M., Jan. 3rd. These Jap contingents totalling over 2,000, came from the direction of Umiñgan heading southeast, following the provincial highway to San Jose. Artillery pieces carried - no exact figures could be taken but rough estimate is about 30 artillery pieces of various types.
3. A.A. MOUNTED IN LUPAO; PRESENCE OF TEN (10) 37 & 75 MM GUN- Three Anti-Aircraft Guns have to date, been mounted in the town. Two within the premises of the school ground and one south of the town near a bamboo bordering the town and ricefields. Ten artillery pieces (37 mm & 75 mm guns) stand ready under the mango trees along the street inside the town just about 50 meters north of the municipal building.
4. AMMUNITION & FOOD STORAGE - Ammunition contained in boxes are piled up at the back of the school building and within the building itself, including cogon roofed annexes to the school building. Food supplies are scattered in the plaza and spacious areas underneath big trees.
5. CIVILIANS EVACUATED - With the arrival of the 1,200 Japs and many more coming day by day, other than those passing over the area, civilian residents have practically evacuated the town. This do not include the families of high local government officials to include Mayor Tienzo, Sec. Realin, etc. These officials and other government employees were however, advised to evacuate gradually at the most opportune moment. San Isidro, which is now occupied by more 4,000 Japs have also been evacuated ~~XXXXXXXXXXXXXXXXXXXX~~ by the civilians.

- 2 -

6. TOWN PROPER & SAN ISIDRO BECOME MILITARY OBJECTIVES - As things stand to-date, every inch in town and San Isidro, is a military objective.

7. MAKAPILI - According to reliable information, a total of about 50 men headed by two Jap officers will be stationed in Lupao. These men are soldiers of the MAKAPILI, otherwise known as "Makabayang Katipunang Filipino", GANAP adherents.

Verified reports so far show that only 8 of the 50 men are presently in town undergoing rigid training. ~~While~~ It is rumored that the MAKAPILI will help and guide the Japs in Anti-Guerrilla campaign. The Jap officer of the local unit of the MAKAPILI made revelations to the effect that the Japs in company with this unit, will round up the area inside the border of the following towns: ~~XXXX~~ Umifigan - Baluñgo, Rosales, Cuyapo, Guimba, Muñoz, San Jose and Lupao.

ALL

8. REPLACEMENT OF THE TOWN MAYOR AND OTHER GOVERNMENT EMPLOYEES - Unofficial sources indicate that the town Mayor, including the police force and all other employees of the government here, will be replaced. As to who will replace them, unofficial sources also show that the Mayorship may be given to Ganap Captain FAUSTO REYES of San Jose and the rest by men of the MAKAPILI.

Thru the Division Liaison Officer.

1. Squadron No. 223 and other guerrilla units attached to the different Artillery Battalions of the 25th Division have not to date received a single pay from the Philippine Army Finance Officer. Many of them has been attached as far as January 1945. Other guerrilla units have been twice or three times been paid specially those that are in the rear. Guerrilla attached to the different Artillery Battalion, specially Squadron No. 223 are experiencing much hardship in the support of their families. Almost all of the members of this unit has their houses been burned, their families left in the rear without support and their dependents are nearing to starvation. Their only hope to remedy this situation is to get their pay from their payroll and sent that money home to feed their dependents and rebuild their homes before the approach of the rainy season. Their morale is getting low, specially when their wives writes them, asking for support and go on complaining that other soldier's wives from other units have already been paid, and why not they?

2. Inorder to remedy this situation, it is urgently requested that the Finance Officer, Phil. Army be directed to pay the men attached to the different Artillery Battalions.

3. If the Finance Officer, Phil. Army cannot come to pay the boys in the front, it is requested that arrangement be made with the F.O., Phil. Army, to have the money be drawn by Guerrilla Commanders and pay their own boys. If the Finance Officer, question the honesty of the C.O., of the Guerrilla unit, he can demand a bond.

To : Major Robert B. Lapham, C.O., USAFFE-IGAF
Thru Capt. Harry McKenzie, Area Commander, NE Military Area

1. After three successive attempts to blast the Matablong bridge since the beginning of the operations, the Matablong bridge which is located just a hundred meters from the Japanese encampment at San Isidro, was successfully blasted by a detail led by Sgt. Marcos Redoble. The detail compose of: Sgt. Marcos Redoble, Cpl. Eutiquio Casero, Pvt. Jose Beleno, Cpl. Adriano Trinidad, Pvt. Jesus Libatiqui.

It will be remembered that at the start of the operation, attempts have been made to blast the bridge at all cost. Blasting was rendered impossible as the Japanese continuously guarded the area. Braving of the danger, the men stayed within the vicinity of the bridge and just waited for even a few minutes absence of the sentry. Just as the sentry went out just a few meters from the bridge to call for his relief, the men dashed to the bridge and lit up the dynamite which blasted in a few seconds. The bridge was totally blown up, the Japanese sentries did not come back.

2. JAPANESE IN SAN ISIDRO MOVES OUT - All the Japanese stationed in San Isidro moved out yesterday leaving only about 100 men. The Japanese supplies and other properties left were being burned before they left. The unburned property are being smuggled by civilians. All other property known to be taken by civilians (enemy property) will be taken by this Headquarters.

NOTE: Men recently enlisted are old members in the Guerrilla, some have served the Guerrillas as far back as 8 April, 1942 (fall of Bataan), but there were no permanent records kept in their behalf. However, in fairness to these men, I have enlisted them under authority contained in par. 3, letter of Assignment and Authority, dated 20 December 1944.
