Your Guerilla Detachment, under command of Colonel Jose S. Oliveros, which has been stationed at Fort McKinley since the arrival of our Advance Detachment, has done a superior job. The actual protection and the feeling of security which they have afforded us have added a distinct contribution to the progress of our work.

The courage, loyalty, discipline, devotion to duty and cheerful and willing cooperation of Colonel Oliveros and all of his officers and men have set a splendid example for our troops to follow.

It is a pleasure to make this commendation in writing and there are two (2) signed copies, one each for you and Colonel Oliveros.

To : COL. JOSE S. OLIVEROS, MARKING'S GUERRILLAS

1. The service rendered by your men while acting as guards for the 16th Radio Security Section is greatly appreciated by the Commanding Officer and men of this unit.

2. Your men have proven to be honest, reliable, and unselfish in their devotion to duty. The statement from your creed which reads: - " We believe that the greatest and the humblest, the richest and the poor, the wise and the child-like, the oldest and the youngest, the best and the worst, the men and the women, with and without military training, - that all these are brother Filipinos and that they all have the right to fight the enemy," so much more aptly expresses what these guards really stand for than can be put upon this paper.

3. No more could be asked of any group of men and our appreciation knows no bounds for their continued help and service.
