Mr. Antonio Robles
Sta. Cruz, Laguna

Dear Mr. Robles:

The Commanding General directs that you be informed that final consideration has been given to the claim for guerrilla recognition of your organization, Eisci's Battalion, an element of the overall command of Marking's Fil-American Troops (MFAT).

Subsequent to a protracted study of the records of this overall command, it was determined that any favorable consideration, either in full or in part, of claims for recognition of units under the direct control of the MFAT would be accorded in the form of a composite roster.

On 2 October 1947, Mr. Marking V. Agustin, the overall commander of MFAT, submitted a composite roster to this headquarters for approval. With the exception of fifty-five (55) necessary deletions by this headquarters plus the correction by the I Corps Commander of one hundred one (101) officer grades improperly listed on the II Corps and GHQ quota, the roster as submitted by Mr. Agustin has been approved in its entirety. Your unit, as a subordinate element of MFAT under its direct control, was given just and adequate consideration during the preparation of this composite roster. The degree of favorable consideration taken by this headquarters on the request for recognition of your unit may be determined by the number of names of personnel from your unit appearing on this composite roster. Unfavorable consideration of your unit request for recognition will be evidenced by the exclusion of your personnel from this composite roster.

The approval by this headquarters of this composite roster, representing all units under the direct control of MFAT, constitutes the final and conclusive action upon the claim for recognition of all units considered in the recognition study of this composite roster. All queries relative to the above action and/or incident to guerrilla recognition matters concerning your unit should be addressed to your overall commanding officer, Mr. Marking V. Agustin.

Sincerely,

E. CANTREIN
CAPTAIN, AGD

ASSISTANT ADJUTANT GENERAL
