Mr. Ramon Limjoco

Dear Mr. Limjoco:

This will acknowledge receipt of your letter, dated 8 September 1947, to Major General George F. Moore, Commanding General, requesting recognition of the Batangas Intelligence Unit.

The Commanding General directs that you be informed that the closing date for the submission of unit requests for recognition was 15 March 1946. This closing date was announced in a special press release from Headquarters AFWESPAC, dated 1 February 1946, and received wide dissemination throughout the Philippines by press and radio, and thru municipal agencies. It is considered that all concerned had ample opportunity to prepare and submit unit applications prior to the announced closing date.

In view of the large number of requests for recognition received by this headquarters from units in Batangas prior to the closing date, it is evident that knowledge of this date has long been known to residents of this province. Furthermore, individual requests for recognition were acceptable until 15 March 1947. It is felt that every opportunity for filing unit or individual claims has been available to members of your unit.

We regret to inform you that the reasons advanced for your failure to submit your unit request are not considered sufficient to warrant an exception regarding the closing date in your case. Your request cannot therefore be accepted for consideration.

Sincerely,

17 OCT 1947

S i r :

I have the honor to request that exception be made of our case relative to the order of your good office fixing the recognition date of guerrilla organizations and/or units in the Islands. In this connection, I feel constrained to state that our guerrilla unit, the Batangas Intelligence Unit, failed to take, in due time, the necessary steps for its recognition for reasons beyond its control. As commanding officer of the Unit, I had in my custody all the pertinent papers regarding our organization and was, therefore, the proper person who should have taken the requisite steps for the recognition of the unit. Unfortunately, however, I was hurriedly sent by the USAFFE HQ on January 8, 1945 to the United States for Refresher Pilot Course, without having sufficient time to entrust the matter of recognition of our unit to another member of the organization. Consequently, no steps whatever could have been taken to secure the early recognition of this unit, and for the same reason, the failure to secure recognition could not be attributed any negligence on our part.

For ready reference, we have the honor to enclose herewith the chronological history of the unit.

Knowing of your zealous attitude to do justice to the deserving, we cannot but anticipate your favorable consideration of our request.

Very respectfully,

Ramon Limjoco

Check on the veracity of this man's statement. It appears on the surface that the cause would not have been of such duration or to cause such a tardy submission. Comment - ✓

Mr Cushman is checking the veracity of this man's statement. I talked this case over with Mr Lingero about a month ago and thought the matter would drop then. He was informed that it would be impossible to file a claim as the dead line had passed. I doubt that there is a man in Batangas that is not on one or more rosters at the present time. E.L.B.
