Dear Mr. Matibag:

The Commanding General has directed that you be informed that the Castro's Regiment, (Pasay Unit), American Dominion Forces, purporting to be a guerrilla organization under your nominal control, is not favorably considered for recognition as an element of the Philippine Army.

A set of general requirements for guerrilla recognition, established by General MacArthur during the liberation of the Philippines, has been used as a guide in considering the record of this unit. After careful investigation and full consideration of all substantiating records and testimony of witnesses having pertinent knowledge, recognition of this guerrilla unit is not deemed to be warranted because of reasons mentioned below:

- a. Record of service was not substantiated by sufficient acceptable evidence.
- b. The unit was not maintained satisfactorily in the field in opposition to the enemy.
- c. Activities of the unit did not contribute materially to the eventual defeat of the enemy.
- d. Members of the unit did not devote their entire effort to military activities to the exclusion of normal civilian occupation and family obligations.

It is considered that the previous recognition of approximately 116 officers and men from the Castro's Regiment, American Dominion Forces who were recognized by the Commanding General Sixth Army for their aid during the liberation of the Philippines constitutes adequate and just acknowledgement of military service.

Report on "Castro's Regiment, (Pasay Unit,
American Dominion Forces (ADF))"

1. On 22 April 1947 Lt Marion C. Allbright proceeded to Pasay, Rizal to investigate Castro's Regiment, A.D.F.
2. ALLEGED HISTORY: (From Guerrilla Unit Questionnaire in Unit File)

This unit was organized by Major Melencio M. Santos of the Philippine Scouts. He contacted and inducted officers and men on September 20, 1942, and regularly organized the unit on October 2, 1942. He established an intelligence unit, sabotage squadrons, and supply depots for men in the mountains. Men were detailed to perform sabotage work, spy on military objectives and harass the Japanese. The unit's supplies were given voluntarily by farmers and travellers. On February 11, 1945 the unit contacted the 11th Airborne. During their stay with the 11th Airborne Division the unit suffered 12 casualties. After leaving the 11th A/B Div the unit operated a few traffic control posts in the province of Laguna.

3. FINDINGS:

a. The following persons were interviewed and their statements are reflected in the findings:

Col Quintin Gellidon Guerrilla Coordinator
Col Vicente Umali CO, PQOG
Lt Col Manuel de Ocampo .. CO of a Hunter Regt
Col Candido C Castro CO of Castro's Regt ADF
Maj Jose P Matibag Member of Unit
Lt Col Florentino Gonzales Member of Unit
Col A M David CO, 3rd Army Corps, MFAT
Lieut. D Jaranilla Jr. ... Guerrilla Affairs Div
Lieut. Jaime Manzano Ex O., Anderson's Grla

b. Record of service was not substantiated by sufficient acceptable evidence. There is no documentary evidence that the unit ever existed in a greater strength than they had while attached to American units during the Liberation. Col. Umali stated that he had never heard of the ADF until he came to Manila after it was liberated and saw ADF recruiting stations all over the place. Lt Col Ocampo stated that he was sent up to Pasay several days prior to the landing at Nasugbu. He brought several other officers with him to contact all guerrilla units in South Manila. The ADF was not contacted. He further stated that he had the fullest confidence in the ability of his officers to perform their mission and that if the American Dominion Forces had existed at that time they would have heard of it and contacted it.

c. The unit was not maintained satisfactorily in the field in opposition to the enemy. From statements made by the unit commander and others interviewed during the course of the investigation, it became apparent that only the attached portion of the unit was actually maintained in the field.

d. Activities of the unit did not contribute materially to the eventual defeat of the enemy. The portion of the unit that was attached to American units was the only part of the organization to actively oppose the enemy.

e. Members of the unit did not devote their entire effort to military activities in the field to the exclusion of normal civilian occupations and family obligations. The unit commander stated that his men lived at home. He further stated that he did not take the field himself, but remained at his headquarters in Pasay to expedite action on requests for replacements for the portion of the unit that was attached to the 11th Airborne Division.

f. Col Unali, Lt Jaranilla and Lt Manzano all stated that they had not heard of the ADP prior to the liberation of Manila, but that the ADP operated recruiting stations in Manila after the liberation. Col Gellidon stated that, to his knowledge, the ADP had about 200 men attached to the 511th Inf and that there were possibly a few scattered individual attachments. Col David stated that he had never heard of the unit before the Liberation.

g. No useful purpose will be served by further investigation of this unit.

h. Any future casualty claims of this unit should be not favorably considered.

4. POLITICAL ASPECTS: This unit appears to have no political affiliations or aspirations.

5. RECOMMENDATIONS: It is recommended that, with the exception of approximately 116 members previously recognized, Castro's Regiment (Pasay Unit), ADP, be not favorably considered for recognition. It is further recommended that the recognized portion of the unit be not favorably considered for revision of the present recognition dates.

Dear Mr. Matibag:

The Commanding General has directed that you be informed that the American Dominion Guerrilla Forces in the Philippines, a guerrilla unit under your nominal control, recognized by Headquarters Sixth Army as of 15 February 1945 has not been favorably considered for revision of its present recognition dates.

A thorough and detailed examination of all supporting papers submitted by your unit, together with a careful analysis of all other available information of the military activities of your unit from its inception, scrutinized in relation to the overall resistance movement, has failed to justify sufficiently the establishment of other dates of recognition than those presently published.

This letter constitutes the final determination of and action upon the period of official recognition of the American Dominion Guerrilla Forces in the Philippines.

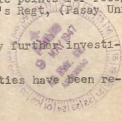

Sincerely,

GUERRILLA UNIT DESIGNATION

"A" Co., American Dominion Guerrilla Forces in the Philippines

Previously Recorded	Actual Recognized
Recognized Strength <u>116</u>	Strength <u>100</u>

Reasons for difference between strength previously recorded and actual recognized strength:

1. individuals deleted because their names were duplicated on recognized roster.
2. individuals deleted because their names are listed with another element of the unit.
3. individuals deleted because their names were previously inserted on the roster without authority.
4. individuals added because their names were previously deleted from the roster without authority.
5. individuals added because an authentic supplementary roster not previously listed is now included with unit.
6. Other reasons 2 individuals deleted per ltr, Hq, PHILEYCOM, dated 22 Sep 47, subject, "Revocation of Recognition." Original roster listed 184 individuals 82 of whom were listed as being unrecognized. Those individuals listed as unrecognized have been deleted.
7. This roster constitutes the only authentic official recognized roster of the above named guerrilla unit.

SUBJECT: Revocation of Recognition

TO : Chief of Staff
Army of the Philippines
Camp Murphy, Quezon City

1. Extensive reinvestigation and reconsideration of the American Dominion Forces in the Philippines, a guerrilla organization recognized by the United States Sixth Army in the strength of one hundred and sixteen (116) officers and men, reveals that Raymundo Natividad and Cornelio S. Ruperto, authorized to be included as majors on the recognized roster of the subject unit by letter, Headquarters AFWESPAC, dated 22 December 1945, failed to disclose sufficient evidence to warrant their initial recognition.

2. Protracted reinvestigation revealed that Mr. Natividad and Mr. Ruperto failed signally to attain the standards required to substantiate official recognition as members of the Philippine Army in the service of the Armed Forces of the United States. Their record of claimed service was not established by sufficient acceptable evidence. Close scrutiny of all available evidence revealed that Mr. Natividad and Mr. Ruperto failed summarily to discharge satisfactorily their responsibilities as officers of a combat unit.

3. It is therefore announced that the recognition of Raymundo Natividad and Cornelio S. Ruperto, as members of the American Dominion Forces in the Philippines, is revoked. Mr. Natividad and Mr. Ruperto are declared in the status of unrecognized guerrillas without any period of recognition whatsoever and denied all rights and privileges that pertain, or may later pertain, to a member of the Philippine Army in the service of the Armed Forces of the United States.

4. It is requested that the names of Raymundo Natividad and Cornelio S. Ruperto be deleted from the recognized roster of the American Dominion Forces in the Philippines.

PHILIPINE

American Dominica Forces is a very loose organization with regiments which were substantially independent. The original overall commander was Col Hugh Straughn (American). After his death there was no actual overall commander, but Herrera was appointed as "Overall Commander and Adviser", because he was a disinterested party. It is obvious that he could not command under those circumstances. Philippine Army G-2 Section, lists Hernandez, Castro, Matibag and Mativedal as regimental commanders. Matibag appears by choice to have subordinated himself to Castro and was at times under several of the others. He has been included with Castro's Fuzzy Unit in our roster.
