Dear Mrs. Mendoza:

This will acknowledge receipt of your letter, dated 26 February 1948, requesting recognition of the Women's Auxiliary Corps of Bais Guerrilla Unit under your command and forwarding a roster and records of the unit.

It is desired to inform you that a special press release from the Public Relations Office, Headquarters, AFWESPAC, dated 1 February 1946, announced the closing date of 15 March 1946 for the acceptance by this headquarters of unit applications for recognition. Inasmuch as this closing date received wide dissemination throughout the Philippines by press, radio and municipal agencies, it is considered that all concerned had ample opportunity to prepare and submit unit applications prior to the announced closing date. Inasmuch as your request for recognition of your unit was made in your letter of 26 February 1948, it does not comply with the closing date of 15 March 1946 and therefore cannot be accepted.

Returned herewith are the rosters forwarded in your letter of 26 February 1948.

SUBJECT : ORGANIZATION OF THE WAS

TO : C.O., Bais Sub-Sector

1. Unlike the other units in the North, this Sub-Sector lacks the WAS Organization. Its existence is deemed important by the undersigned in as much as this place is within the vicinity of the enemy. The part that will be played by this organization will be realized with the enumeration of its duties.

2. In the first place, it serves as a First Aid Unit. The members are trained to give first aid to wounded soldiers. In the field they are trained to pitch their own tents were they take wounded and bleeding soldiers when hospitals are very far away. They do the work of men where men are not available. In this unit where encounter of the enemy is always expected, the organization of the said WAS is therefore important.

3. In the second place, this organization will be of great help to the soldiers now sick in our camp.

4. And in the third place, it would be of help in many ways, like taking care of the clothes, mending and cooking.

5. Being the Medical Inspector of this Unit, I deem it my duty to organize the said WAS with the full cooperation of all officers of this Unit.
