Dear Mr. Reposauro:

The Commanding General has directed that you be informed that the "supplemental rosters of Bg & Sq Co, and Companies A, B, C, and D, Detolan Sector, Squadron "B", Magaysay's Forces, 2ND", purporting to be guerrilla organizations under your nominal control, have not been favorably considered for recognition as an element of the Philippine Army.

A set of general requirements for guerrilla recognition established by General MacArthur during the liberation of the Philippines, has been used as a guide in considering the record of this unit. After careful investigation and full consideration of all available substantiating reports and testimony of witnesses having pertinent knowledge, recognition of this guerrilla unit is not warranted because of reasons mentioned below:

Adequate records were not maintained as to dates of enlistments or joining, dates of promotions, and necessary relative information. Records of services were not established by sufficient acceptable evidence. It is considered that the previous recognition of approximately 300 officers and men of the Bg & Sq Co, Companies A, B, C, and D, Detolan Sector, Squadron "B", Magaysay's Forces, which were recognized by the Commanding General, is sufficient during the liberation of the Philippines constitutes adequate and just acknowledgement of military service.

It is requested that you comply with the provisions of Executive Order No. 68, by the President of the Philippines, dated 26 September 1946, copy attached.

Sincerely yours,

W. P. MOORE

Hq & Hq Co	-----	39	men
Co A	-----	36	"
Co B	-----	37	"
Co C	-----	61	"

a. Adequate records were not maintained as to dates of enlistments or joining, dates of promotions, and necessary related information. There are no certifications or supporting papers of any type.

b. Record of services was not established by sufficient acceptable evidence. They claim above men were not included in the previous supplemental rosters because they were not yet paid and that only those already paid were included. This affords no proof that these men deserve to be recognized and paid.

c. There is no proof that above men participated in actual combat or were active against the Japanese.

d. This unit has previously had 33 men of Hq Co, 82 men of Co A, 79 men of Co B, 55 men of Co C, 81 men of Co D and 36 men of the 1st Bn recognized by AEFSEAC.

Report on the Botolan Sector, Squadron "B"  
Magsaysay's Guerrilla Forces, ZMD

In accordance with verbal instructions from Chief of Section, Guerrilla Affairs, G-3, AFWESPAC, Lieutenant Morris S. Flory proceeded to Botolan, Zambales to contact the Botolan Sector, Magsaysay's Forces, ZMD, in order to determine whether or not this organization should be recognized by the United States Army. The following report is a summary of the investigation and basis for the recommendation.

ALLEGED HISTORY

This unit organized in the middle of 1942 but did not function as a military unit. Members left the unit up until June 1943 when the unit was reorganized with permission of Capt. McGuire, placing Capt. Corum as the Commanding officer with a total strength of over 400 men. From this time until the American occupation of Zambales the unit did patrol and intelligence work, but had no encounters with the Japanese.

On 25 January 1945 they began operations in the mountains of Botolan and contacted the 3rd Bn 152 Inf under Lt. Col. Mongold. On the 29 of January 1945, the unit fought the Japs in the Mountains of Botolan which was the first encounter with the enemy. They remained with the 152 Inf until May 1945, after which time they were used in mopping up details, security guards, and patrols for rice planters.

Capt. Corum was discharged from the unit 18 June, 1945 to take charge of civilian operations in the Botolan mountains. Capt Jose Nepomuceno then took over control of the unit and remained as CO until his discharge from the unit at Camp Ord 31 May 1946.

The unit was composed of a Hq & Hq Co, Cos; A, B, C, & D making one Battalion with a peak strength of approximately 700 (reported) in 1945.

The unit in question has previously had the following men recognized:

Hq & Hq Co	----	33	men
Co A	-----	82	"
Co B	-----	79	"
Co C	-----	55	"
Co D	-----	81	"
MP BN	-----	36	"
Total	--	366	men

### FINDINGS

The following named persons are those interviewed by the contact team and their statements are the basis for the findings:

1. Capt Corum -- Former Sector Commander of subject unit
2. Beryamin G Balda -- Hq & Hq Co of subject unit
3. Felino L. Escusa -- Hq & Hq Co of subject unit
4. Eduardo D. Rivera -- Hq & Hq Co of subject unit
5. Ruffino de Vilma -- "B" Co of subject unit
6. Alfredo Gonzales -- Judge -- civilian
7. Capt Blanco -- Co of Botolan Special Regiment
8. 1st Lt Jose Angeles -- Hq & Hq Co of subject unit
9. Cpl Necitas Garcia -- Hq & Hq Co
10. Cpl Alberto Dimalanta -- Co A of subject unit
11. 1st Lt Niclas Dial -- Co B of subject unit
12. Sgt Teofilo Landero -- Co B of subject unit
13. Pfc Dionisio Acosta -- Co C. of subject unit

Upon investigation it was found that this unit in question did only "Home Guard" duty up to the time of the American landings in Luzon.

In their request for recognition they state the men on the supplementary rosters were not included in the previous supplemental rosters because they were not yet paid and that only those already paid were included. This affords no proof that these men deserve to be recognized as a part of the former initial or supplementary roster. Capt. Corum, former Commanding officer of this unit stated that the names were left off because only the names of those men actually on patrol work were submitted, that those men on the supplementary roster were on other duty such as guard, procurement of supplies, etc., but they have no papers to prove such claim.

The unit was at times at odds with the Botolan Special Regiment under Capt Battad, although the former Botolan Sector Commander, Corum and Battad are cousins.

It was also apparent in the investigation that a rotation system was used by the unit, members working one or two days a week and working on their farms the remainder of the week. It is concluded that members of this organization did not have full time status as a guerrilla, except those already recognized. It is also believed that the members of the unit worthy of recognition have been recognized with the above mentioned units.

Authority *NNJ 88 3078*

POLITICAL ASPECTS

The Botolan Sector, including both the Botolan Special Regiment under Capt Battad, and The Botolan Sector under Nepomuceno, let politics interfere with the guerrilla organization in as much that names were omitted from the rosters unless that person agreed with the political aspirations of the leaders.

RECOMMENDATIONS

After careful consideration of the statements made by the present members and an analysis of the documents presented, it is recommended that with the exception of those members previously recognized, the Botolan Sector, Squadron B, Magsaysay's Guerrilla Forces, Zamboales Military District, be not favorably considered for recognition.

Col Geral F Lillard:

Verbal request of Maj Faulkner, Operations Section, RPD for the correction of statements on Memo to CofS, PA re supplementary rosters of Cos A, B, C & D, Botolan Sector, Squadron B, ZMD which stated that personnel of this unit have been paid for period of recognition. Investigation by the RPD revealed that some personnel have been paid in full, some have been partially paid and some have received no payment for period of recognition, and that this memo, Incl #5 to ltr, this hq, GSCPG 330.32, dtd 4 Jan 46 was incorrect. Request was alsomade to correct the terminal date of recognition in cases where "to date" is used on the roster to show the terminal date of recognition to include 20 May 1945 as the date to be used.

1. Following documents were presented to correct these erroneous statements:

a. Certificate of payment by Capt Jose O. Padilla, FS, FO, 3rd MD, PA, that some members of the Botolan Sector, Sqdn B, ZMD, have been paid in full, some have been only partially paid and some have not been paid for period of recognition.

b. Affidavit of Miguel Lim, 1st Lt. Inf, members of the above sector, to the effect that some members of the above unit have been paid in full, some have been only partially paid and some have received no pay for period of recognition.

2. Maj Faulkner of the RPD stated that he was personally convinced that the errors mentioned above have been made and that to correct these errors is in the interest of justice.

SUBJECT: Correction of rank, Request for  
TO : Commanding General, AFWESPAC  
APO 707  
(Thru Channels)

1. Request that my rank of sergeant appearing in the approved roster of "A" Co., Botolan Sector, Squadron "B", Zambales Military District on file in the Returns Division, Adjutant General's Office, HPA, be corrected to 1st Lieutenant.

2. In support of this request, I hereby submit the following history of my guerrilla connection:

- (a) On 21 September 1942, I was commissioned as 2nd Lieutenant in the Western Luzon Guerrilla Forces USAFFE, designated as G-2 operative.
- (b) On 15 December 1944, Botolan Sector was incorporated to the Luzon Guerrilla Forces (Now Magsaysay's Guerrillas) and because of the said reorganization, I was made to do the work of a platoon sergeant. When the Botolan Sector supported operations of the 38th Division from 4 March to 31 March 1945 I was promoted to 1st Sergeant of "A" Co., and was doing the work as such.
- (c) On 31 March 1945, several officers of the Botolan Sector who were USAFFE personnel including the Commanding Officer of "A" Co., left the Botolan Sector and reported to the P. A. & Philippine Scouts.

On 5 April 1945, I was made Commanding Officer of "A" Co., and promoted to the rank of 1st Lieutenant. This promotion is in accordance with Standard T/O. From this time I supported operation of the 3rd Bn., 152 Inf., APO 38 as 1st Lieutenant.

3. Attached are the following:

- a. Commission paper as 2nd Lieutenant
- b. True copy, Roster "A" Co., Botolan Sector
