A.- Capt. Mayama (two pigs) but we got one alive making all three pigs.
Q.- Who broke through the houses and stole the clothings and belongings of the people?
A.- I don't know sir, because after shooting the pig I was ordered to bring the pig to the bote.
Q.- Did Capt. Mayama not give you any of the properties taken from the houses in Araceli?
A.- We were given, towel only.
Q.- Why did you call at Araceli, Dumaran again on Oct. 2nd?
A.- To look for pigs again as we know that there were no people there.
Q.- Were you able to get some more pigs on the second visit?
A.- No sir, because as we were about to land on the shore we were fired at and my companions namely Capt. Mayama, boatswain Osha, crewman Eguigi and Bernabe Hinson second mate, jumped into the sea while I lay down in the bote.

Q.- How did you contact Sgt. Adulta again on Oct. 2nd?
A.- When we made our trip to Legaspi we quarreled one of the Japanese crew and without the permission of the Captain I went to Manila by train dropping at Catabangan and contacting Sgt. Adulta.
Q.- Why did you not join Sgt. Adulta in Catabangan when you contacted him?
A.- Having agreed between us (Sgt. Adulta) and myself that I must not join first his organization because my brother was still on board and then an arrangement was made to the effect that I will bring the ship to Catabangan, if we succeeded in our mutiny.
Q.- Why did you not succeed in the mutiny as you planned it?
A.- During our former trips we were only three Filipinos only until we made a trip to Borneo that I told the office to assign more Filipinos making us six (6) in all.
Q.- How many trips have you made to Borneo?
A.- One trip only.
Q.- From Borneo where did you go?
A.- From Borneo we went back to the Philippines and incidentally we passed Dumaran Island. But the sea got so rough and the Captain was so drunk that he ordered to us to turn back and anchor at Araceli.
Q.- What date was your anchorage at Araceli?
A.- On October 2, 1944.

SUGAR.- The overseas market moved quietly accompanied by small sales of raws at 3.45 cents for Puerto Ricos, late-Juno and early-July and Philippines, due late Juno. Spot raw sugar eased off 2 points to 3.38 cents.

Locally, the market for export sugar was dull with small business done at around P4.50. As the shipping situation continued very tight, practically all exporters remained on the sidolines. Domestic ordinary centrifugal was shaded further to P4.10 as buying interest was slack. Washed sugar, however, remained quatably unchanged in quiet trading.

TO COL. WHITNEY

DEAR SIR:

ENCLOSING AN INVENTORY OF THE MAJOR EQUIPMENT AND MONEY ON HAND, AND ALSO LIST OF ITEMS WE NEED TO FACILITATE OUR OPERATIONS NOW AND FOR THE FUTURE.

AM MAKING A BRIEF REPORT OF OUR MOVEMENTS AND OPERATIONS SINCE LANDING AT RAMOS IS. UNABLE TO REMAIN THERE LONG AND OPERATE DUE TO THE FACT THAT THE PLACE IS VERY WELL POPULATED, AND THE PRESENCE OF NUMEROUS PRO-JAP NATIVES. MOVED TO MANTAGULI IS. AND STAYED THERE FOR TWENTY SEVEN DAYS. WAS ABLE TO OPERATE THERE FOR A SHORT WHILE. LACK OF FACILITIES OF TRANSPORTATION AND TO OBTAIN FOOD FORCED US TO DECIDE TO MOVE. I HAD SENT SARGEANT CORPUS TO CONTACT CAPT. N. B. MAYOR, CO. OF SOUTHERN PALAWAN PHIL. ARMY (USAFFE) TO ENQUIRE FOR VANTAGE POINTS AND LOCALITIES FOR OUR OPERATION. FOUND PLACES FAVORABLE. WILL SEND BY RADIO OUR STATIONS. HAVE FOUND A FEW PROSPECTS TO BE TRAINED AS SPOTTERS WITH OUR SCR. 288s. ONLY HOPING IT WONT TAKE LONG TO TRAIN THESE ENLISTED MEN OF THE PHIL. ARMY. HAVE BEEN UNABLE TO GET MISAHON, FORMERLY A NAVY COAST WATCHER, BECAUSE OF RIGID RESTRICTIONS IMPOSED ON HIM AND HIS FAMILY IN OCCUPIED BALABAC IS. OUR MOVEMENTS HAVE BEEN BADLY HAMPERED BY LACK OF FACILITIES OF TRANSPORTATION. WE CAN NOT GET MEN TO WORK FOR US DUE TO SHORTAGE OF FOOD. WE CAN NOT BUY ANYTHING HERE WITH THE MONEY WE HAVE. THERE REALLY IS AN ACCUTE SHORTAGE OF FOOD SUPPLY, CLOTHING, AND MEDICINE AMONG THE CIVILIAN POPULATION OF THE WHOLE PROVINCE OF PALAWAN. THE PHIL. ARMY HERE ARE MAINTAINING THEMSELVES WITH WHAT LITTLE THEY CAN GET THEMSELVES. WE ARE LIVING UNDER THESE SAME CONDITIONS.

THE BOYS AND I ARE IN THE BEST OF HEALTH, IN SPIRIT, AND MORALE. WILL DO BETTER IN THE FUTURE WHERE OUR JOB IS CONCERNED, I ASSURE YOU.

WILL DEPEND UPON YOUR DISCRETION TO SEND US EQUIPMENT AND SUPPLIES AT MOST CONVINIENT AND FAVORABLE TIME.

RESPECFULLY YOURS,

Carlos S. Placido

HEADQUARTERS
TASK FORCE TEAM No. 017.
SOMEWHERE IN PALAWAN, P. I.

19 Nov, 1944.

SUBJECT : PERSONAL REPORT.

TO : COL. COURTEEN WHITNEY.

1. Herewith is submitted condition of party members from date of landing.

Teamwork and devotion to duty have been the rule with all concerned. Health and morale very good with the exception of the party leader, who have had two sieges of malaria and slight failure of the legs to function when needed most. At present am feeling good and soon will be moving about on reconnaissance close to enemy centers.

2. When any one of the party is on reconnaissance trip, the people put themselves out to entertain us and it adds to the enthusiasm and determination to accomplish assigned mission. I had to request each members to avoid as much as possible, villages and other settlements so as to help the natives conserve their meager food supplies. We have acted as medical men, giving treatment to those suffering of ulcers and malaria. I am positive that we have endeared ourselves to the natives.
3. We are now receiving 100% support from civilian officials, more so since the landing in Leyte. Difficulties encountered with civilian officials are their request for transmission of personal messages to the Commander in Chief and Pres. Osmeña. All requests were refused for military reasons.
4. We have no trouble obtaining food supplies except vitally needed sugar, none to be had in entire province. Our issue of balk clothing was only 10% of requisition, the supply did not go far and suggest for more. Clothing is of more value to the people than money.
5. Unconfirmed report regarding 17 Americans escaped from prison in Puerto eagerlly awaited authentication and will flash when varification is received. We are prepared to shelter them.
6. Should more detailed reports be required by the Colonel, same will be forwarded soon as I receive issue of typewriter, none was with office supplies.

Respectfully submitted,

Clementino S. Cabais
Party Leader.
