1. In order to enable the assignment of Special Orders to permit him to participate in a special AIB mission, it is requested that immediate orders be effected arranging the transfer of -

2nd Lieut. YORRINO, GRBP0, 50-888253.

from Ship and Gun Crew Command to WISSE for duty with AIB.

2. I have conferred in the Adjutant General's office concerning a serious irregularity in this officer's record, and in making the above request after talking to Major Cismar, who will take up the matter with Colonel Fitch. For the information of 9-2 and the Adjutant General, the following facts are presented:

- a. Lieut. Grasso came to my office on 21 January, stating that he was on sick leave from his station at SPO, 725 (Milne Bay), where he had been serving in the A.F.S. pool. He appeared to be likely material for Philippine Section of AIB and, since he was on leave, I asked him if he would care to undergo some training, it being my plan to ask for his transfer if observation sustained my opinion that he was a good prospect. He showed sufficient promise to justify such action. Lieut. Grasso told me that, owing to his illness, his Commanding Officer at Milne Bay had informed him that he should arrange to stay in Brisbane and that his transfer to A.F.S., Brisbane would be forthcoming.
- b. On this basis, I called Colonel Gris and asked him if he would arrange for Grasso's transfer to Brisbane and that in a short time I would be prepared to, in turn, transfer him for duty with AIB. Colonel Gris then was called north.
- c. Near the expiration date of Grasso's sick leave, which was early in February, I called A.F.S., Brisbane to try to tie down these loose ends, but found that Colonel Gris had gone, that the Adjutant was ill and that Major Cismar also had been sent north. To protect Grasso, I took it upon myself to send a message to his C.O. at Milne Bay, stating that we were trying to effect the transfer but that a delay had been encountered. In the meantime, Grasso still being in a weakened condition, I suggested that he could go on living at the AIB School until A.F.S. officials were prepared to effect the proper transfer.
- d. When the A.F.S. Adjutant returned from the hospital, I called him and pointed out the unsatisfactory state of Grasso's status. He said he would

was never done immediately and told so that in the meantime, since they had no particular job for Group, it would be perfectly alright to continue briefing him.

- 1. I reportedly have called A.F.A. pointing out the mentioned unsatisfactory situation, but A.F.A. has advised me that they are unable to receive replies to their letters directed to A.F.A. HQ.
- 2. In the meantime, the unrequested advancing of the date for one of our missions, for which Group was trained as leader, has created the need for company action. It is for this reason that the above request for action is made.
- 3. Reference is made to the accompanying check sheet concerning the landing of Secret Letter Orders on West, Group and three collected men.
