Date: 17 March 1944

1. Navy has indicated the availability of Lieut. Jack HOWARD, USNR (son of the publisher, Roy Howard) for assignment to this Section.
2. With the acquisition of the NAUTILUS to augment the NARWHAL in Philippine supply this phase of the work will be doubled and I should like to have the services of the officer in reference if there is no objection to the assignment.
3. Lieut. HOWARD is intensely interested in the Philippines, concerning which he has considerable knowledge, and I believe he would be a helpful addition to PBS' staff.
