RE: SAMPLES, Jack Lawrence
Lt. 18046030

Dear Sir:

We understand from our records that the above named lieutenant is a member of your organization. Will you ask him to call at our office at the corner of Oroquieta and Zurbaran streets, to discuss a confidential communication that has just come into our office? If it is impossible for him to call at this office, will you please give us any information you can as to his whereabouts?

Thank you for your help.

Sincerely yours,

To whom it concerns -

Adjutant General's Office -

Am sending the regular monthly
letter to my son - Jack L. Samples 18 046 030 Pst.
I am wondering if we can possibly send him a
cablegram for this time - But better yet I wish
to ask if there is any possible way of getting him
home within the next month or, as soon as
possible on the account of his father's health.

Mr Samples has been and is putting up such
a hard battle for his life - He wants so bad
to see his son once more - and I'm afraid
it's a losing battle. If you answer in regards
to my wishes please don't mention that I asked
for his return, I don't want his father to know that
I asked. Only I do wish that he might.

Sincerely

Mrs Norwood W. Samples
