CHECK SHEET

(Do not remove from attached sheets)

File No.:

Subject:

From: G-3 Operations (PSD)

To: Colonel Chaffee

Date: 12 February 1945

1. Attention is called to your message of 10 February in reply to that from CABAIS NR 2 of 9 February.
2. As a matter of routine guerilla forces and our direct operatives have appropriated for military purposes such articles as have been washed ashore from American and Japanese ships sunk in Philippine waters. At times such salvaged supplies, as fuel, have saved us the necessity for direct shipment and proved of invaluable assistance.
3. CABAIS' query appears to have been designed to secure support to his holding such supplies for future military purposes rather than permitting their dissipation by unrecognized guerilla elements or other civilians and I believe it is in our interest that he receive such support.
4. The situation is in no respects comparable to that existing in normal times where maritime laws in such matters would govern. There is no procedure set up for the requisition of the supplies in reference and it must be presumed that the desire of CABAIS as expressed in his message is in the interests of present and future operations and dictated by military necessity. His initiative in protecting our interests in the matter is commendable.
5. CABAIS should be informed that the action recommended by him is approved in so far as he is in position to pursue that course without resort to force.

ALREADY LEPERS ARE SCATTERED IN NORTHERN PALAWAN ENDANGERING THE POPULACE AND ADDING TO ACUTENESS OF FOOD SUPPLY. PLEASE ADVISE. LOCAL TROOPS ARE TOO BUSY AND CONCERNED WITH PERSONAL AFFAIRS AND NON-ESSENTIAL BATTALION ACTIVITIES SO THAT NO ACTION OF HARRASSING AND PINNING DOWN OF ENEMY HAS EVER BEEN TAKEN TO DATE. FORMER BATAAN SOLDIERS WHO VOLUNTEER THEIR SERVICES TO BATTALION ARE REFUSED FOR UNKNOWN REASONS. PLEASE GIVE US ARMS AMMUNITION AND MEDICINES AND SHALL ORGANIZE ENOUGH CIVILIAN VOLUNTEERS TO HARRASS AND PIN DOWN ENEMY TO ALLEVIATE CRITICAL CONDITION IN THE COLONY.
