SUGGEST THAT INTELLIGENCE TEAMS YOU SEND OVER BE GIVEN THOROUGH INSTRUCTION IN ANSWERING EMBARRASSING QUESTIONS SUCH AS: WHY AMERICA HAS NEGLECTED PHILIPPINES AND CONCENTRATED HER FORCES IN OTHER THEATERS, WHY SO LITTLE HELP HAS COME OVER, WHAT MATERIAL THINGS ARE PATRIOTS FIGHTING FOR.

REQUEST THAT MAGAZINES SUCH AS "FORTUNE", "TIME", "LIBERTY" BE NOT GIVEN OUT BY VISITING VESSELS AS SOME CONTAIN ARTICLES WHICH ARE NOT APPROPRIATE FOR A SUFFERING PEOPLE. THEY BREED RESENTMENT AGAINST YOU WHILE JAP PROPAGANDA STATING SAME THINGS WOULD NOT BE BELIEVED.

Comment: With reported landing in considerable force at ASIA this new enemy action further complicates the south coast possibilities for successful contact. We are going in though very shortly with a full load of supplies which should see the 7th M. D. through until air dropping can be arranged. I still have a hunch that this tightening of the NEGROS blockade is related to the vital enemy documents already received but which the enemy thinks are still in CUSHING's possession. (given until 31 May to deliver).

I have no doubt but that we will best the Japs at this little game. See map attached for the situation.

Message No. 41 from SUAREZ

Precis: In re message from BITENG.

Comment: "Colonel" Tome BITENG formerly with PERALTA fell out with the latter and wandered down to TAWITAWI and BRITISH NORTH BORNEO. A party, headed by Capt. Guillermo de la CRUZ, was sent here by Colonel BITENG in January last to secure supplies and funds for an organization claimed to be set up in North BORNEO consisting of 12,000 men and styled "American Forces in MALAYA."

Examination of CRUZ and the members of his party led to the conviction that BITENG was but an opportunist attempting to secure aid from this headquarters. Statements made upon arrival of the party were found to be fabrications in which they were instructed by BITENG himself in order that they might better "get the aid he wanted."

In view of the radio silence at present imposed upon YOUNG's radio station, until necessary to report a large naval or air movement from that area, I believe that BITENG's message should be ignored.

Message No. 41 from CUSHING

Precis: In re CUSHING's objection to outside coverage in CEBU Province.

Comment: BANTAYAN Island is some distance from the CEBU mainland (see map).

The position was installed by SMITH primarily to observe the adjacent coastal routes prior to the activation of the CEBU Area Command. CUSHING's contention is basically correct but he will have his hands full for a long time in the interior of CEBU itself.

I think it best to take no action on this message at this time and so recommend.

Precis: In re SMITH's position.

Comment: Message discloses progress North with men and equipment -- gives reassurance of the strength of SMITH's hand in his calm confidence that he can best the Japs.

Once the equipment, supplies and personnel recently delivered are distributed into LUZON, Northern SAMAR will be of much less importance to us as an operating base.

The present move should bring us into direct communication with the ANDERSON and other LUZON groups. SMITH drives through to his objectives without a lot of fuss and feathers characteristic of so many.

The arrival of forces from the 125th Infantry in "ZAMBOANGA CITY" and attachment there for duty sounds better than it really is in view of the extention of the corporate limits of ZAMBOANGA CITY up the penninsular. It does not necessarily mean that they are within the enemy occupied business or residential areas - significance does lie in the fact that the 125th Infantry is the original command of Colonel SUAREZ, this element apparently having been driven out of its position somewhere in the SULU Archipeligo.
