Two rush messages for Hamner not delivered him.
Submarine left rendezvous before special messenger
arrived. Party arrived this camp with arms, ammunition
and little supplies. One Officer this regt. left on Sub
when ~~he~~ submerged due to presence of enemy patrol.
No funds received. We need this badly. Supplies allotted
us were not all taken. Supplies received are like god
sent aid to us all.

Referring to my reply yesterday 8 Feb Forgot to state MANUK MANKA, unsafe for landing supplies. Too near Japs outpost at BONGAO & SIMUNUL. For security delivery of supplies be done at night we will use six small crafts instead of 3. For security supplies unloaded be done once in few minutes and paddle to shallow waters free fr Japs interceptions. Light panel signals to be used approaching vessel.
