COMMUNICATION SECTION  
THE ENGINEER SCHOOL

PRO 8548

27 December 1946

SUBJECT : Claim of Deogracias G. Santos

TO : Office of Chief of Claims.

1. Deogracias G. Santos, was last paid for the month of March, 1942. He has pay coming for the month of April and up to the 6th of May. Whether or not he will be paid for the time that he was a prisoner of war I don't know.

2. There was eleven (11) more men on the same boat and they also have money coming to them. The reason these men were not paid was that when Bataan surrendered all the records were destroyed and I was waiting for new records to be made out on Corregidor, but you know that we were under the gun there and the records were never made out.

3. Would it be possible for me to get this man's address from your office as I would like to write to him.

4. If you get any more claims in of this type I would like for you to forward same to me because there is one in particular that shouldn't be paid. I don't know his name but I think if I seen it I would remember the name.

I remain.
