OFFICE THE PLUMBING SHOP
Mills, P.I.

January 29, 1942.

Subject: Increase

To: U.S.E. Department
Thru: Mr. Lee Baldwin

It is requested that the following civilian employees of the Plumbing Shop Quartermaster (employed at present in the U.S.E. Department) be given an increase in pay.

Name	Q.M. Rate	Recommended Rate to U.S.E. Department	Employed since
<i>182</i> 1. Fructuoso Abayon ✓	\$ 1.20	\$ 1.50 Daily <i>19</i>	1922 as plumber
<i>188</i> 2. Tomas Nicolas ✓	1.20	\$ 1.50 Daily <i>19</i>	1918 " "
<i>183</i> 3. Higinio Baquiran ✓	1.20	\$ 1.50 " <i>19</i>	1922 " "
<i>192</i> 4. Pedro Encarnacion ✓	.90	\$ 1.50 " <i>19</i>	1937 " "
<i>194</i> 5. Lazaro de Guzman ✓	.75	\$ 1.00 " <i>19</i>	1941 as office clerk

I have the honor to recommend to you such an increase due to the following reasons. These plumbers to the best of my knowledge are dependable and reliable ones asides from the fact that **they have been in the plumbing service for quite a long period already.** Pedro Encarnacion, my plumber, is to my belief not receiving the justified pay and receive my full consideration. He is at present receiving a helper's wage. Then I request that, Lazaro de Guzman, employed as office clerk be given also an increase. I hope that you will not hesitate in helping me and my men.

11. Alberto Del Monte ---	.08 " " -----	.12 " "
12. Ruperto Reyes -----	.08 " " -----	.12 " "

Domingo Cuello, an excellent tinner has been employed since 1912. His service for about 30 years proved that he is a first class tinner and therefore deserves an increase in pay. The rest who are plumber helpers are doing the same kind of work as those pipefitters from Manila and therefore has the right to receive the same rate of pay.
