Mr. Graciano B. Hukon

Dear Mr. Hukon:

Reference is made to your letter of 13 October 1955, inclosing a roster of 2d Regiment, Fil-American Irregular Troops, Folsom (99) Guerrilla Unit, Antonio Division, requesting recognition of that guerrilla organization.

Consideration cannot be given to your request for guerrilla recognition inasmuch as the guerrilla recognition program terminated on 30 June 1948.

Under this program a period of more than three years was allowed for guerrilla units and members of such units to claim official recognition. This program originally contemplated a termination date of 30 June 1946; but this date was extended to 30 June 1947 and finally to 30 June 1948, concurrently with the lapse of the appropriations, "Expense, Army of the Philippines". During this period the widest possible publicity was given this program throughout the Philippines.

The Army organization which was established in the Philippines for the purpose of acting on these claims for guerrilla recognition has been discontinued and no organization now exists for investigating and rendering decisions in these cases. The Army's policy, which has been applied without exceptions, is to refuse to consider such claims unless they were received prior to 30 June 1948. Subsequent to 30 June 1948 no agency has had the authority to alter, amend or modify previous decisions rendered by the Guerrilla Affairs Division.

In view of the foregoing, I know of no other action that may be taken.

Sincerely yours,

DAVID H. ARP

Mr. Victorino C. Villaflor
Pentabangan, Nueva Ecija
Luzon, Philippines

Dear Mr. Villaflor:

Reference is made to your recent communication requesting recognition of alleged guerrilla service rendered by individuals during World War II.

The extension of official recognition to individuals or organizations claiming guerrilla status was a function of the Guerrilla Affairs Division. Under this program, a period of more than three years was allowed for guerrilla units and members of such units to request official recognition. When that organization was deactivated on 30 June 1948, the guerrilla recognition program terminated and the authority to alter, amend or modify previous decisions made, ceased to exist.

In view of the foregoing, I know of no other action that may be taken.

Sincerely yours,

a. Whereas, if our names was not appeared in an approved recognized Roster of an Organization, because of our Organizers had lived so short time after the formation, Captain Albert A. Short and Captain Daily Snyder, and other Leaders were captured by 203rd Squadron and killed, we should not be blamed for the lost of our names, but our Leaders Concerned, for we only the followers and ignorant of the Military Law of Rules and Regulations of the Army.

Mr. Diosdado T. Leyva
Antipolo, Rizal
Philippines

Dear Mr. Leyva:

I am referring to your recent letter, with roster of alleged former members of Fil-American Irregular Troops, Talbac Regiment (Antipolo Unit) concerning recognition of guerrilla service rendered during World War II.

The first requirement for crediting an individual with recognized guerrilla service is that his name appear on an approved reconstructed roster of an organization. Records on file in this office do not indicate that the above mentioned guerrilla unit is an approved guerrilla organization.

The guerrilla recognition program terminated with the deactivation of the Guerrilla Affairs Division, Philippines-Ryukyus Command, 30 June 1948. During the period of over three years in which the guerrilla recognition program was in operation, the widest possible publicity was given that program throughout the Philippines. No law or regulation currently authorizes the Department of the Army to consider or review additional claims for guerrilla recognition.

I am sorry my reply must be a disappointing one.

Sincerely yours,

C. J. BARRY JR
