Previously Recorded Recognized Strength	<u>191</u>	Actual Recognized Strength	<u>176</u>

Reasons for difference between strength previously recorded and actual recognized strength:

1. _____ individuals deleted because their names were duplicated on recognized roster.

2. _____ individuals deleted because their names are listed with another element of the unit.

3. _____ individuals deleted because their names were previously inserted on the roster without authority.

4. _____ individuals added because their names were previously deleted from the roster without authority.

5. _____ individuals added because an authentic supplementary roster not previously listed is now included with unit.

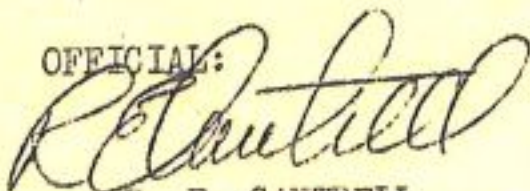

6. Other reasons 15 individuals, listed on the original roster as having been discharged for AWOL, have been deleted from the reconstructed recognized roster.

7. This roster constitutes the only authentic official recognized roster of the above named guerrilla unit.
