Col Gerald F. Lillard:

1. The Taparan Unit, an independent unit, consisting of 894 men, has been favorably considered. 159 men have previously been recognized because of an attachment with the 11 A/B Div. This is the Unit's second reinvestigation after usspension of payment in 1946 because of complaint letters.
2. This unit does fulfill the requirements of the five basic points for recognition. See attached Team Leader's Report.
3. No useful purpose will be accomplished by further investigation of this unit.
4. All worthy members have been recognized and there is a separate casualty roster. No revision of dates should be contemplated.
