This is to certify that the EM shown on the attached list of the 2nd Moreno Bn, whose services dates from Jan or Feb 1945 have been attached to the 187th P G Inf. Regt. of which I was the C. O.

Apparently many of the officers & EM, have been inadvertently omitted in Roster submitted for recognition due to the practice by guerrilla commanders of rotating their men in the front line.

I might add in this connection that I was charged with the supervision and control of all guerrilla forces in Cavite and Batangas during the major part of Feb and March 1945.
