Dear Captain Keith:

I'm sending you this message with a hope above all that same will reach you in the best of your health and high spirits. I am already a civilian as I was discharged last 30 March 47. At present I am taking summer classes at the Mindanao Colleges under the benefits of the G. I. Bill of Rights.

Coming now to the important purpose of writing you this letter, I have no other objective than reminding the Captain for the reconsideration of the cases of my EM in the attached list re their AUS status. I believe that there is no other important evidence testifying the services of these EM other than my statements as former CO, of "G" Co., 14th Inf. I am ready to face any charges against falsification of documents and I gave my life as a guarantee of my statements pertaining to their services under "G" Co. These particular individuals were not included in either one of the Rosters submitted to HQ 14th Inf which copies are now in your possession, especially those Rosters made in 1944 which I think that office is giving more weight in determining AUS status. The reason why such names were omitted in the 1944 Rosters is that when the CO, 14th Inf called for the 1942 Rosters of our units, my CP was at Pingkian, Nueva Vizcaya where it was hard for me to contact some EM whose names could not be remembered by me. (by 1944 Rosters, I mean those Rosters from April 1942 to Dec 1942 which I saw at your Office which were only made and submitted on October 1944) The monthly original Rosters in my possession were captured by the Japs when my Camp was raided on 10 Dec 1942, so that there was no direct reference available at the time the 1942 Rosters were made on October 1944. The latest Roster which is in a consolidated form or rather a Final Roster as of Dec 10, 1942 was made upon the request of Lt-Col R. A. Manriquez former CO, 14th Inf after his arrival from the States. This was in the early part of 1946 when all the units of the 14th Inf as of 1942 were ordered to Alabang for re processing under the AUS status. This Roster was submitted personally to Capt Simons. The names appearing in this Roster was based upon the previous Rosters submitted in Oct 1944 with additional names of EM whom I newly contacted during my first vacation to Eastern Pangasinan (my former sector). It is really clear that comparing the Rosters submitted in 1944 with that of the Final Roster as of 10 Dec 1942, one will suspect something why new names are inserted in the Dec 1942 Roster and as I said before, this was due to my inability to contact these new EM during the time I made the rosters in 1944. The first time I consulted the Captain about the cases of these EM not confirmed, you told me that even though such EM does not appear in the previous Rosters they can be confirmed if they can produce sufficient papers or documents which can prove their services under the unit. To tell you

the truth Captain, some of this men became desperate in their individual case and is bothering me much asking for help. Of course for those other men, they just told me that they are thankful enough to survive the war. But basing upon how others talk to me they are putting the fault on me which I do not ignore. So that I am trying my best to explain in this letter the consequences which brought about the omission of the names of this EM in the revised Rosters causing the disapproval of their AUS status. There are no other Officers who can testify the validity of the services of the EM other than the late Lt. S. Marinas, Ex. O. of the Co., Lt Lopes and my self. Capt Vicente Matias and Capt. L. Ramirez both members of the Bn Staff, 2nd Bn went to Camp on the later part of Nov. 1942 for inspection and these two Officers can not identify all the members of my Co. as the men were distributed to different detachments in Eastern Pangasinan. One more point I want to tell the Capt is that some of this EM who were processed in the PA did not state that they were original members of the 14th Inf. This really happened when I was at Camp Spencer. The processing Teams rejected EM of the 14th Inf as this unit was known to them as a part of the United States Army. However, for those EM who insisted to be processed some were accepted by the processing teams like also in my case. I bring out this point as I am sure that what is being stated in the PA processing papers are compared to those in the AUS processing papers and one who claims to be an AUS who does not appear in the Roster and same have not stated in his former PA processing papers to be a member of the 14th Inf in 1942 will have a hard time ofr confirmation which I see to it that some of my unconfirmed EM falls under this category.

I think this letter of mine is too long to impede the work of the Captain. I am enclosing herewith stamps for the Captains reply so that I may known your decision in considering my request and that I may also inform each individual EM.

Regards and good luck.

Yours respectfully,

/s/ Gregorio P. Montejo

SUBJECT: Re Documents of Company "G", 14th Infantry

TO : The Director RPD, AFWESPAC, APO 707

1. Reference to letter of that office dated 6 Nov 46, the undersigned has no original copies of rosters for 1942 of "G" Co., 14th Infantry. Rosters under his possession are revised rosters only. The original rosters of 1942 were submitted to the late Major Manuel P. Enriquez, Regtl. Ex. O. and CO, 2nd Bn. 14th Inf. The ones kept by the units were captured by the Japanese when the CP of "G" Co., 14th Inf. was raided on 10 December 1942. On or about October 1944, the new Regtl. Comdr. of the 14th Inf., Lt. Col. R. A. Manriquez, called for rosters of my unit since its organization way back in April 1942. Rosters were made and submitted to Regtl. Hq. and I believe that these revised rosters are in records which were turned over to the Adj. Gen. USAFIP, NL, at Camp Spencer when the 14th Inf. was demobilized. When Col. Manriquez newly arrived from States, he asked rosters of my unit as of 1942 and I submitted to him a final roster as of 10 December 1942. Col. Manriquez told me that the rosters and the narrative report of the activities of "G" Co. were to be submitted to AFWESPAC as same were badly needed. *Note!*

2. The revised rosters that were submitted were not complete due to the fact that the writer could not contact the rest of the men, as some enlisted men surrendered after the raid on 10 Dec. 1942 and did not rejoin while others joined other guerrilla outfits. There are bona fide members of "G" Co., 14th Inf. who are now writing me letters re their status under the AUS but in as much that their names were not included in the rosters submitted, certificates were issued by me. Request that I be advised if supplementary roster is needed to support the AUS status of these particular individuals.
