

P.O.W./C.I. Wm. J. Priestly

Book 10 (2 of 3)

Folder 5

DECLASSIFIED

Authority: 64842, 64843, 64844

In. F. O. for Paris Co. - he had F-25, 1940
 and Co. - could have destroyed it but didn't
 say did not - turned over to Dept.

Answer - helping out.
 Miss Morgan - Policy Section - Building 3,
 Child (may be 37 year old).
 City of Tulsa 1 1/2 1935, 1936 - 2 more not free.
 One day during low part of water - 1 cup of
 water \$50. at mid truck wheels - paper cut
 over. Only one man working below deck.
 Jago would come down & lower lower
 of pump out - then down. movement - would
 then go. left in good smooth only, was
 more at the pump stand upward. A
 sample taken for the mor - better than first
 at time with a man lost enough to have
 J. extra above him, jumping to 11 feet,
 J. extra jump to 5 feet.

24, 1935 - 1936 in all this time.
 Max. length of 2000, 2000 for work
 - by laboratory have to dig well - about 5
 work to dig for - good time.

Col. Edward Roberts, 1944 Jackson St. Birmingham
 City. Few at Birmingham 1936 - not on 1933.
 Mr. Bay, assisting whom was Taylor on Dec. 8.
 Came on 37th Avenue & was to have gone
 into 3rd Ave.
 Dec. 1 (on May 19) - at 4th in tel. office. About
 7:00 - 8:30. Mr. Bay, shortly came in & talked to Col. R.
 + Mr. F. Asked if he could use phone to talk
 to Mr. A. - Case. Talked to Mr. A. who inquired
 about Mr. J. & family to whom Mr. J. showed
 program to go to 71 & arrange for property sweep.
 of Baguette. Mr. A. consented. Mr. J. would be
 double take in Car & airport - to go alone.
 Next morning Mr. J. & Mr. Col. H. played 10
 feet of gas. which Mr. J. put in back of
 car. Left on morning of Dec. 11.
 after he had left. Case of Mr. J. made a talking
 Col. to help speak. Col. H. called by phone
 as been in - stop speech and if you
 have to show him. (by Co. of Police).
 Mr. J. stopped by an boat
 at Mr. J. speaking saying his key would
 come. Mr. Roberts told him where he expected
 to get back to Bay - Mr. J. said - small
 any - then nice goodbye.
 Prob Mr. J. to keep for observation.
 Dec. 11 - Roberts said to Mr. Case (Monday)
 & J. phone over and - I. during around
 the car first in a spare outside. Mr. J.
 did not take to talk but those seemed
 while must have to little
 Col. Roberts had been doing typing for
 Col. H. & Mr. J. and was also. (phone)

to HQ. Col. H & parent Maj. I was present
 when phone call to Manila was made.
 Col. E. stayed over in command of Col. H.

Capt. Foster & Ventreski, 239 E 5th St.
 of Boston, Mass.
 March 26 - assigned as Co. commander of
 2d. Co. - Had been and 2 Capt. (sergeant).
 In previous days, in Ridge until 1942
 & when assigned to the Colman K. valley.
 into his 3rd. 7. of R. 8-6. Remained
 there; all day long 5th & Nov 6th -
 jumped off on attack at about mid
 night 6-7.
 Jan 7 - contacted in. Dec. 24 8:00 a.
 Found them one up track 29 - few
 Comanche with about 30 others several
 wounded reported to Co. led. He. some
 soldiers smoking & pipe. showed
 signs of local poisoning - decay. ~~that~~
 about 8 p. had returned and at 10
 & saw 2d Co. surprise party to move -
 he says he had been ordered back
 to 1st. 8 & 9. and on taking up Co. 2d &
 into a same month. Failed track
 1 1/2 Co. - St. Robert with him and 12
 Comps men - proceeded back to old
 base area near Jct. 6-29 - had cup
 of coffee w/ St. Thomas (Kitchen co-
 mander there). Left him at about
 7:30 p. and went on to R. 8-29
 - found night - went 30 yds and saw
 light ahead - down here to allow
 car behind pass. Car came ahead
 - Capt. and med. Col. Boyle and
 Maj. Evans. Col. Boyle's engine
 has destination & has reply det.
 8 & 9. The slope his under light

was seen compass - showed on 6
 & 8 - instead, Advisor Capt. F. C. higher
 level, and separate - Capt. F. Lake 4p
 led, with 10 & was a heavy baggy
 First sound and had been - at 12
 1424 and Captain Parkway, which
 he was stuck - around the front
 and Capt. F. Lake. Lt. & S. Frank
 crossed a meadow - Capt. K. beach
 down. H. adding on my bed, face
 on about 1 ton & some to 1st. 1st. not
 shown on map - 1. 450. They and
 further, came back to base - tried to
 find for Captain C. on another stream
 of 40 ft. Hair on hair - tel. 9: 45 p.
 tried - tried to make noise - he
 & St. C. Cook & man - K. back left
 1-8 night night - about 10 yds off on
 at trail was a 6 x 6 tank loaded
 with 70 mm. ammo. K. down left
 -locater upon saying Frank 20. No
 sound of clock fighting - and off
 to left. He to 1st. St. 1st. have
 night took up mt. They for down
 11 of another Co. - decided to stop &
 get compass working - to the left he
 again night five 74 shi away. about
 on track & went on. another Co. was
 forced to stop due to low visibility
 in center of track - after up to
 barometer hoping to find it and left
 as barometer was on night
 back up 5 yds. They are very under
 St. Robert top to barometer & he

I attended / you state - 24y from
 East of town - legs on road. R
 low no medicine - no dressing
 took to laboratory & Col. needed
 for K. Am. Conf. & legs all / mm -
 some skin & bones like that - all
 & send / him to go to Army. I Col. with
 messenger to see if he could do anything
 to come to see his state. On 8, 10, & 20 P.
 I went for some more. I gave some
 sugar & some milk. I Col. I leave
 with in the house. I gave some
 500 drops of some of the best I ever saw
 doctor's advice. Condition of them
 explained - would not take them
 to him for medical care. I gave
 them what he had for them. I
 & notes for change to help them with
 get a letter for me - for me more
 feeling of more.
 I Col. I advise you to - I Col. with
 you & more medicine & I passed
 them out - sugar, the milk & etc.
 I Col. I will be with you in the
 in town - I had a letter from me
 to read case in your hands.
 I Col. with
 Kelly's Bay - pumpkins - food - no
 and medicine for hypoglycemia. July 11 -
 was with you & I Col. for the
 for 100 patients Kelly - second no.
 by doctor & no 3 at laboratory.

nature - could not pay - railway would not
 take it. At Connaught, railway say it more
 having a lot of timber & lumber, and
 several more. Gordon I have 20 loads
 as being wanted for. Already taken
 by R.R. bridge price. more observing
 Canyon near here, was domestic but
 put order to C.A. office - wanted to be
 when he got there - 70. had R.R. etc. for
 car. at Union - leave at noon. I have
 & Maloney - had both men to get his
 & try to work it. - gave sudden. Job, etc.
 P.A. Eng off. in. Agitation - 2 P.A. office
 sent off P.A. attempt to go Connaught - 70 P.A.
 had. Morgan etc. & to get them away
 Jan 1 - left back - had Connaught - 3 P.A.
 with house for 3 officers. at Union - it
 appears to be car. had. at. two hours
 had Colborn trail near 4 a.m.
 Jan 2 - hills possible to Connaught road
 to west - plan to Colborn changed. at
 Connaught 11 P.A. Maloney etc. Thomas - to
 the morning - late Prof. Mason & wife.
 Dr. Maloney.
 Jan 12 - 70 P.A. med. S of Connaught
 Spalang - start leave of half year
 found J. these heavily sitting up
 gone to the Magdalen to look to obtain
 returned health at 10. in then house
 Jan 14 - 9. m. call for food and shell
 Col. Connaught at Union they was to come
 in house - at. then and Con. show book
 later show to Con. just before 24 20.
 At Con. with 37 etc. - check to 30. 1902

up +

The people very generous toward food - gifts -
 guides. J. provided in nearly all quarters.
 meals in a few cases. 1902
 Many times list of 11 prime specimens of fruit,
 veg & officinal - list of low 8 - was. Great
 corn flakes, polished rice, steamed milk, white
 sugar, veg. cheese, egg white, butter, veg. yeast,
 etc., canned yeast & eggs had coffee - slightly
 less retained than last one. - 8 mos. 1 vol.
 relation plays a prominent part in get pumped
 full of nitrogen, & synthetic. They become
 depressed, considerable generalization. Difficult
 to determine details, confused thought, con-
 fusion memory & local mental deterioration.
 In subjects become desalted in weight
 manifest physical symptoms of acidosis
 primarily hypoglycemia - sensation of heaviness
 in legs, lethargy, nausea 106 under attack,
 year and most of dissolved, growth stops,
 metabolism slows down. Several cases
 of death in an early stage.
 Harnish Elliot, OPACS. Co. 1902
 volume 45, 1902, was done in 1945 below
 volume safety level. B.F. James & Harnish
 says 1/3 of subjects that were rejected
 had def. ailments.

The people very generous toward - food - life -
 guides, P. present in nearly all locations
 - mostly in a few places (A.P. 11/14)
 Many things that of 10 years specimens of fruit,
 - eggs & affections - bit of low 8, - etc. these
 cows fed, polished rice, skinned milk, white
 eggs, hay, cheese, egg white, butter, egg yolk,
 etc., Chard, Yams, eggs and coffee - slightly
 less restricted than last one - 6 mos. 1 year.
 Attention given to the usually & had to get people
 full of bottom of 10 months. They became
 depressed, in fact, quite seldom. Difficult
 - attention to diet, compare thought, con-
 - sideration, memory & last Manual dieting
 - for subjects become diseased in work
 Manifest psychiatric symptoms of Cerebral
 Primary symptoms - sensation of heaviness
 in legs, but usually recover 1st under attack
 - general in end of hospital, growth stops,
 metabolism slows down. Several cases
 of death in an enlarged heart.
 However, Cells, OPAC & Cooper's adre-
 - nals. 46, 100, 1000 am. in 1940 below
 - endocrine safety level. B. J. - James B. Hoxby
 says 1/3 of the flies that were rejected
 had def. ailments.
