1. Reference is made to your Radio G 34258 GSXRP dated 29 March 1947, requesting names of emergency addressees of the following Philippine Scouts (Retired) who had been recalled to active duty in December 1941:

<u>NAME</u>	<u>ARMY SERIAL NUMBER</u>	<u>WD RECORDS SHOW THIS EMERGENCY ADDRESSEE</u>
Llanes, Alejandro	R 318 166	Segunda Pochillo, wife
Llave, Agustin	R 311 154	Roque de Llave, son
Llanan, Francisco	R 3 292 349	Apolinario Agbang Llanan, wife
Legaspi, Santiago	R 321 287	Tomas Legaspi, son

2. As stated in our radio this date, item No. 1, requested information shown in the last column of above tabulation may also be found in the inclosure to a letter from this office, subject as above, dated 25 February 1947. The 7-page inclosure was entitled, "RETIRED PHILIPPINE SCOUTS UNACCOUNTED FOR", and included the names of all Philippine Scouts (Retired) of whom this office has record of recall to active duty in December 1941, but no record of their having reported for duty, subsequent activities, or final fate. A supplemental list, giving emergency addressees for certain soldiers shown on the original list without this information, was dispatched under letter of transmittal dated 31 March 1947.

3. It is believed that reference to these lists will eliminate the necessity for many of the individual inquiries now being received in this office on Retired Philippine Scouts. Additional copies will be furnished upon request.

AG 321 (10 Dec 45) AG-OM (HP)

SUBJECT: Retirement of Enlisted Philippine Scouts After Twenty Years of Service.

TO : Commanding General, United States Army Forces, Western Pacific, APO 707.

1. Pursuant to paragraph 4, Section II, AR 615-395, enlisted Philippine Scouts who have served twenty years or more in the military forces of the United States and who have become permanently incapacitated for active service due to physical disability incurred in line of duty shall be placed on the retired list.

2. The Commanding General, United States Army Forces, Eastern Pacific, is authorized to designate such general hospitals as he deems necessary to conduct retiring boards to carry out the provisions of this letter.

3. In accordance with reference cited in paragraph 1 above and TM 12-338, Enlisted Personnel, Retirement, January, 1945, the following procedure will govern the retirement for disability incurred in line of duty of enlisted Philippine Scouts with twenty or more years service in the military forces of the United States.

a. Transfer to a general hospital:

- (1) When in the opinion of a commanding officer an enlisted Philippine Scout who has served twenty or more years in the military forces of the United States is permanently incapacitated for further military service, the commanding officer will cause such enlisted man to be examined by the surgeon of the command. Appropriate cases will be admitted to the United States Army Forces, Western Pacific hospital nearest the soldier's organization.
- (2) If after careful study for a reasonable time the commanding officer of the hospital determines that the individual is permanently incapacitated for further military service he will effect transfer of the soldier attached assigned to the detachment of patients of the nearest general hospital designated by the Commanding General, United States Army Forces, Western Pacific, in accordance with

paragraph 2 above. Transfer will be accomplished by indorsement of the service record noting Section II, AR 615-395, under remarks. Special orders are required only when travel is necessary.

b. Procedure at general hospitals having authority to conduct retiring boards under these provisions:

- (1) WD AGO Form 49, Application for Retirement, will be prepared in quintuplicate by the hospital personnel section and signed by the soldier as acknowledgment of his status. If soldier has available prior discharge certificates or certificates in lieu thereof, service will be entered on the basis of the certificates on Form 49 and this fact noted on Form 49 under remarks. The original and three copies will be forwarded to The Adjutant General, through this Headquarters.
- (2) The Adjutant General, Washington, D. C., will furnish by radio to the hospital commander a statement of service, number of days retirement furlough authorized, and grade in which retirement will be made.
  - (a) Pending receipt of statement of service, the soldier may be granted a furlough for approximately ten days by the hospital commander.
  - (b) Upon receipt of statement of service, WD AGO Form 38-5, Physical Examination of Enlisted Personnel Prior to Retirement for Disability, will be prepared in quintuplicate by the hospital personnel section and forwarded, along with the clinical records, to a board of medical officers appointed by the hospital commander under the provisions of Par. 4b, Chapter 2, TM 12-238, for the purpose of determining whether or not the enlisted man is to be retired for disability. The board will not convene until completion of required definitive treatment.
- (3) The board of medical officers will then examine the soldier thoroughly and prepare a report of findings on the Form 38-5 showing the following:

- (a) Findings:
  - 1. Diagnosis - only incapacitating condition.
  - 2. Line of duty - status for each condition.

  2. Other disposition recommended.
- (4) The board will then request the soldier to appear before it again, will explain his status to him, and will request him to sign the Form 38-5 stating whether or not he wishes to be retired.
  - (5) If the soldier desires to be retired the completed Form 38-5 approved by the hospital commander will be forwarded through this headquarters to The Adjutant General, Washington, D. C., who will upon approval, issue orders placing the enlisted man on the retired list.
  - (6) In the event the board of medical officers recommends disposition other than retirement, the hospital commander, if he so approves the recommendation, will not forward proceedings, but will take necessary action to accomplish the recommended disposition.
