SECTION MEMORANDUM

To: All Enlisted Personnel

1. It has come to the attention of this office that office enlisted personnel entrusted with delicate records are lax in the performance of their duties and do not seem to show interest at all on the work they are assigned to. It should be borne in mind that amongst all forms of records, our Quartermaster records rates most important, if not delicate. Remember, should I be able to catch any incomplete and improper records, I should take drastic action on the enlisted man concerned and hold him responsible and answerable for any misentered records. Be it borne in mind that we are all covered with orders laying upon us responsibilities to undertake and should we fail, this, ^{then} we all go behind the bars.

2. Let us work together and pull up together to achieve clean and perfect results. To get this is to show interest and devotedness to our work.

F. C. CASTRO,
Captain Inf PA,
Div Quartermaster.

Job: Pass around and return:-
