Dear

It is requested that you furnish this headquarters the original of your certificate or special orders of discharge or release from active duty in the Philippine Army for use in the adjudication of your claim for disability benefits under laws administered by the U. S. Veterans Administration. This will be returned to you as soon as copies are made by this headquarters.

Do not send certified true copies of your certificate of discharge or release from active duty as they are not acceptable by this office.

If you are still in the service, submit a certificate from your present commanding officer stating that you are now in the active service and have been on continuous active service from a date prior to 30 June 1946.

It is necessary that you comply with the above requirements within            days from date of this letter; otherwise, your case will be considered "CLOSED" and the U. S. Veterans Administration will be notified to that effect.

Sincerely yours,

Please address all replies to this correspondence to: Commanding Officer, 8133d Army Unit, Adjutant General Records Depository, APO 928 (Attn: Veterans Branch)
