S i r :

With reference to the letter of this Office to the Municipal Council of your municipality dated the twelfth instant relative, among other things, to the nationalization of intermediate schools, I have the honor to quote hereunder the contents of a self-explanatory letter of the Division Superintendent of Schools dated August 12, 1940:

> "I have the honor to request that the continuing appropriations for land in the different municipalities of this province be obligated as of August 8, 1940. These appropriations are intended to be used for the payments of additional school sites which the municipal councils expropriated or would purchase in order that they could meet the requirements for the extension classes that were opened in their municipalities."

In view of the foregoing, it is requested that the continuing appropriations in question be reverted to the General Fund and reappropriated for the purchase of land. It is also requested that the Municipal Council be advised accordingly.

Dear Sir: Re: Lagonglong Elem. School's subscription

If, as is to be expected, our bill No.3021 amounting to P 6.00covering the school's subscription, has already been forwarded by the Principal Teacher to your office for payment, will you be good enough to lend us your cooperation by ordering the remittance of the amount?

Generally we allow only THIRTY DAYS to our subscribers and since the subscription began on August 5 -- the payment is now past due. However, in the case of schools' subscriptions, we extend the time to SIXTY DAYS. We will, therefore, appreciate it very much if you could have the payment sent us by return mail, if possible, or not later than Oct. 5, 1939.

Your early attention will avoid a break in the receipt of the copies by the school. You will appreciate that with our thousands of subscribers, a uniform practice has to be established to keep the records in order.

Thanking you in anticipation, we beg to remain

Very sincerely yours,
