1. Sending to that HQ the enclosed
Medical Certificates of late Corps BONIFA-
CIO, MP & S-2, and DELFIN FAUSTO, "I" Co,
both of this Regiment, in connection with
our Death Reports on said soldiers dated
12 and 25 Aug, 1944, respectively.

2. On 26th instant, the remains of
two human beings were found by our patrol
near the Japs OP at Tubod, exhumed and iden-
tified to be those of said soldiers.

3. Corp DAMAYO was partly buried with
his knees protruding from the ground. The
remains of Corp FAUSTO were found unburied
bleached among the grasses with his per-
sonal belongings and Carbine nearby. Corp
Fausto must have been hit by the random
firing of the Japs during our attack, but
escaped notice of the enemy as manifested
by the presence of his Carbine.
