USAFIP NORTH LUZON
HQ MILITARY POLICE BATTALION
SUYO, ILOCOS SUR

19 July 1945

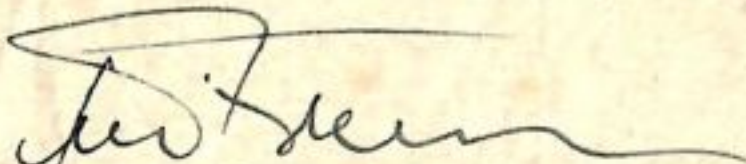

SUBJECT: INSPECTION, report on

TO : CO, MP BN, USAFIP, NL

1. All of the guards except in three (3) outposts were inside their tents and didn't care as to what vehicle passed by. No traffic regulations were enforced until I bawled them out.

2. Lt. Pacifico Santillan, Officer In-Charge of Control Station at Butac was absent from his post. Upon inquiry as to his whereabouts, his men said that he left in the morning. I inspected his post at 1300 o'clock.

3. There's no trail between Butac and Suyo whereby soldiers could deviate from Hwy #4 if they intend to go on AWOL.
