NO.....15)

1. This Command grieves to announce the death of Pfc. Alberto Orpilla and Pvt. Victoriano Quines, both of Company "B". Pfc. Orpilla, while on duty at Uddiawan, Solano, N. V., was apprehended by the enemy, and upon refusing to reveal the secrets and whereabouts of units of this Battalion, was ruthlessly beheaded on November 13, 1944 by the Japanese. Likewise, Pvt. Quines, while on duty at Wskel, Solano, N. V., was apprehended and beheaded by the Japanese for refusing to betray our organization.

2. Other men of less character than they would have squealed in an attempt to save their lives. But they, conscious of their high mission for the sake of country and people, preferred paying the supreme penalty, death, to turning traitors be betraying their beloved Philippines. Theirs is a patriotism which others might as well covet in point of unstinted courage and valor.

3. Commendation is therefore hereby granted in recognition of their loyalty and devotion to their country and people.

4. This Command likewise shares in their families' bereavement for their unselfish death. May their souls rest in peace!

NO..... 16)

1. This headquarters announces with deep regret the death of TEOFILO PASAMONTE of Lantap, Bagabag, N. V. The enemy resorted to the barbarous act of beheading him on Nov. 13, 1944.

2. Teofilo Pasamonte has been most enthusiastic and loyal in the performance of his duty, braving dangers that beset his path in the pursuit of his horseshoe trips to the Ilocos. And he always "delivered the goods," for he was the type of man that could carry a message to Garcia. In the service of his country and his people, it might be fittingly said of him that he embodied the spirit of the saying, "Greater love than this no man hath, that a man lay down his life for his friends." He was a true Filipino whose patriotism is a flaming example worthy of emulation under whatever sky and in any land whatsoever.

3. Therefore, this Command hereby commends him in gratitude for his many services and for his having paid the supreme sacrifice in the hour of his country's need.

4. Also, this Command takes this opportunity to express its heartfelt condolence to his bereaved family who with courage bears the sorrow for his loss. May his soul rest in peace!
