Subject: Inactive SS Agents  
To : All Battalion Commanders

1. In view of the rapidly changing situation of the war within the 5th District area, and due to the stringent measures being imposed upon civilians by the enemy in the areas occupied by him, many SS Agents have been found to be inactive. This fact has been disclosed by the decreased volume of intelligence reports received by this Headquarters.

2. In connection with the above, you will submit the names of all your SS Agents who are no longer active as such, stating the dates or inclusive period they were inactive, so that this Headquarters can act on their honorable discharge. You will likewise furnish this Headquarters with a complete data of their services which will include their induction into the service.

3. You are reminded of the fact that civilian employees cannot be taken in without previous approval or permission of this Headquarters. Only in cases in which specialized knowledge is needed and which cannot be efficiently handled by any enlisted man when civilians who have such specialized knowledge may be employed, with the authority of this and higher Headquarters.

4. Expedite compliance.
