Subject: Enlisted Men Found Unfit for Military Service, Report of
To : The CO, 66th Inf, PA

1. The following Enlisted Men of the 1st Battalion, 66th Infantry, PA were found by me to be unfit for military service.

- a. Name - Leon Aned - Rank - Sgt. Org - "A" Co, 1st Bn, 66th Inf, PA
Date of enlistment - July 9, 1942
Date of Physical examination - October 21, 1944
Nature of deformities - (1) ankylosis of right knee joint; (2) ankylosis of middle finger right hand.
Degree of disability - partial
(1) Ankylosis of right knee joint was contracted in line of duty as a result of an injury received on July 16, 1942; (2) ankylosis of middle finger right hand was contracted in line of duty received on July 13, 1942.
as result of injury
- b. Name - Carlos Dumasi Rank - Pvt Org - "A" Co, 1st Bn, 66th Inf, PA
Date of enlistment - July 1944
Date of physical examination - Nov. 19, 1944
Nature of disease and deformity - (1) blurring of vision of right eye for both near and distant visions; (2) ankylosis of right knee joint.
Degree of disability - partial
(1) Blurring of vision of right eye existed prior to entry into the service, contracted not in line of duty; (2) ankylosis of right knee joint was contracted in line of duty as a result of injury received on August 11, 1944.
- 116 + 50 - Coy c. Name - Mariano Dilla Rank - Pvt. 1st Class Org - "B" Co, 1st Bn, 66th Inf
Date of enlistment - Oct. 8, 1942
Date of physical examination - Sept. 24, 1944
Nature of disease - Cataract of left eye
Degree of disability - partial
The condition was contracted in line of duty as a result of an injury received in Sept. 1942.
- 116 + 50 - Co d. Name - Mariano Langone Rank - Pvt. Org - "C" Co, 1st Bn, 66th Inf, PA
Date of enlistment - 1942
Date of physical examination - Nov. 13, 1944
Nature of disease - (1) Frequent attacks of intensive headache, fever, and dizziness especially on walking fast and long distance; (2) poor vision.
Degree of disability - partial
Both conditions are believed to be the result of a gunshot wound at the right temporal region of the head received in Bataan in March 1942; contracted prior to entry into the USAFIP but in line of duty at Bataan.
- e. Name - Molintas Bahoy Rank - Pvt Org - "C" Co, 1st Bn, 66th Inf, PA
Date of enlistment - Nov. 1942
Date of physical examination - Nov. 14, 1944
Nature of disease - (1) impairment of hearing of both ears and pain at both lumbar regions; (2) chronic appendicitis
Degree of disability - partial

(1) The impairment of hearing and the pains at the lumbar regions were contracted in line of duty as the result of maltreatment received from the Japanese on April 4, 1943; (2) The appendicitis existed before entry into the service and therefore not in line of duty.

MSG. No. 118

Subject: IM Recommended for Honorable Discharge
to : CO, USAFIP, NL

1. Request that our recommendation for honorable discharge of the following named IM contained in our MSG. No. 17 dated January 3, 1945 and indorsements dated January 5, 7, and 16, 1945 be expedited, except Pfc. Emilio Rivas, who has been captured and released by the enemy and has reported for duty on January 12, 1945.

- a. Sgt. Leon Anud
- b. Pvt. Carlos Dumasi
- c. Pfc. Mariano Dilla
- d. Pvt. Mariano Langwan
- e. " Rolintes Seboy
- f. " Martin Sango
- g. " Ignacio Joseph
- h. " Juan Pisco
- i. " Anas Colayong
- j. " Saoydan Egivao
- k. " Pucayawan

2. The immediate discharge of these IM is very necessary in order to replace them with physically fit men who are very essential at this time of operation.
