SUBJECT: MISSION, RE ASSIGNMENT OF
TO : The Battalion Commander

1. Men had started on their following assignments as found in the M-Day Plan.
2. The men were divided into two groups of less than one platoon each. For most of them are sick and now in the Battalion Hospital. Others are assigned in different assignments.
3. The First Platoon is under the command of Lieut. Maswood, with all the Demolition Equipments. I hope that the TNT is enough for one bridge. For if we are going to divide the demolition equipments, its not enough to knock down one bridge, so what I did is to concentrate in one place so that we can accomplish the mission.
4. The next platoon, under the command of Sgt. Lucas Sibal, is in charge of cutting communication lines and other demolition works.
5. The Company CP, is located at Don-oy. Request that all communications should be forwarded to this said CP through the runners. Runners from that HQ should be instructed to go straight to the said barrio.
6. HOPE AND PRAY FOR THE SUCCESS OF EVERYONE'S TASK. KEEP 'EM FLYING. MEET YOU SOON IN BAGUIO.

PEDRO GARDINGAN *P.*
2nd Lieut., Infantry, PA

P.S. - Forwarding you a sample of a form of the Bolo Unit Certificate of membership for approval. Request to be informed if the blanks filled were filled correctly.

Subject: Inquiry Re Replacement
To : CO, USAFIP, NL
Thru CO, 66th Infantry, PA

1. In accordance with instruction contained in letter from GHQ, dated 10 July 1945, S-Hospital Patients, patients evacuated to the Hospital who have to stay therein for more than 15 days will be transferred to the Repl & Cas Bn by SO from GHQ.

2. Accordingly, the CO of Bn so transferred will drop them from the Morning Report and replace them with new men. If an Bn so transferred is a NCO, a deserving EM will be promoted to fill the vacancy.

3. Per Par. 1f of same letter, the CO, Repl & Cas Bn, will request transfer of EM fit for field duty to their respective units. How can such men be accommodated in their former company when they have been replaced and the T/O filled? This question is particularly asked regarding NCOs who are transferred to the Repl & Cas Bn, replaced in their respective units and later desired to be transferred back to their units. A CO welcomes the return of an EM of his who has been sick or wounded in action and who is again fit for duty. As a rule, such EM prefers to go back to his old organization.

1. Insofar as casuals are concerned, the moment they are transferred to the Repl & Cas Bn by Special Orders from this headquarters, their connections with their parent units are completely severed on the date of effectivity of the Special Orders.
2. The following should be done by their parent unit commanders:
 - a. The proper entry must be made in their Service Records and same mailed to the CO, Repl & Cas Bn.
 - b. They are dropped out of the Rosters of their parent units.
3. The vacancies they leave behind by virtue of their transfer should be filled up to maintain the strength of the parent unit.
4. Should they casual happen to be an NCO, promotion can be made on the one who filled up the vacancy.
5. Promotion is made, primarily, in recognition of the merits of the individual and secondarily, to fill up a vacancy in the T/O.
6. Efforts have always been made to have the casuals reassigned to their former units as soon as the CO, Repl & Cas Bn consider them fit for field duty.

6 September 1945

Subject: Retention of Rank, Request for
To : The Adjutant General, Philippine Army
(Thru Channels)

1. The undersigned requests that he retain his rank for the following reasons:

a. The undersigned had been Commissioned 2nd Lieut. on April 23, 1945 per SO No. 95 and 96, HQ, USARIP, HL and confirmed by SO No. 127, HPA, Manila on July 23, 1945 which is now revoked by SO No. 198 reducing me to 3rd Lieutenant. I was inducted as volunteer on December 17, 1943 and given the rank of private. During the Guerrilla days the undersigned had worked hard as an EF and was able to gain the confidence and sympathy of my superiors thus getting Commissioned on April 23, 1945. I had been a teacher before the war, a high school graduate and 33 years of age with 6 dependents.

b. When I was commissioned as 2nd Lieutenant, I was given the following assignments:

- (1) CO, Sq. Co., 1st Bn
- (2) Acting S-4, 1st Bn
- (3) Acting S-6, 1st Bn

c. The duties performed by the undersigned is believed commensurate to the rank of 2nd Lieutenant. Not only that, but it should be taken into consideration the dangers which the undersigned underwent. In Lepanto, Mankayan and KP 90 operations, I had to travel uncleared areas for the purpose of furnishing ammo and food supplies to the frontlines. If I happened to be a Casualty, my poor family will only find me reduced in rank and refund even the money given to them. I hope the higher headquarters will look upon with sympathy the event that is going to happen. My salary as 2nd Lieutenant could hardly make both ends meet. How much more now that I am reduced to 3rd Lieutenant and also required to refund the difference.

d. It is hoped that this request be given favorable action.
