2nd Lt. Leonides Abril	164563
1st Lt. Orlando Aro	192835

2. The first recognition made by Headquarters, 6th Army, as of 11 February 1945, was based on the Roster submitted for attachment to the Alamo Scouts, 6th Army Headquarters, in connection with the liberation of Santa Cruz, Laguna. On March 27, 1945, when the Alamo Scouts left for another destination, a very limited number from the ranks of the 3rd Army Corps, Markings Fil-Americans were attached to the 1st Cavalry Division. A roster was prepared of the men so attached, and in order to suit the Table of Organization being followed by the United States Army, a reduction of ranks of officers and enlisted men was made without the knowledgeable consent of those concerned. This roster, as submitted to 1st Cavalry Division, was subsequently recognized by 6th Army Headquarters as of date of attachment.

3. Being in an active sector of operations, and totally ignorant of the roster so submitted by 1st Cavalry Division, no action was taken on this matter, until now when discovery of conflicting ranks was made. Request therefore; that, the first recognition of officers concerned as of 11 February 1945, be made to prevail, and the subsequent recognition as of 27 March be invalidated, on the ground that it is not only a gross injustice on our part, but it is against the publication of the Adjutant General, Headquarters, Philippine Army, dated May 1945, re "no officer holding approved guerrilla ranks as of October 1944, and subsequently

recognized, cannot be promoted nor demoted without consent of the president of the Commonwealth of the Philippines!"
