1. In this report, states the number of sick members of the Military Police every day, as required by the Bn. Reg. to be accomplished. The names and ranks, and the date when they were taken sick. Said Members of the Military Police were affected due to their accomplishment of their official duties, except Cpl. Placido Montielvivo who just informed this command about his physical defect. In this connection, the CO of the M.P. impose these patients to returned home to be cared by their families.

2. Further information that Cpl. Apolinario Canete, of this command, was given a SICK LEAVED but stays in the office due to the absence of the CO. and other non-commissioned officers to take place of his responsibility in the office.

For Sn in the absence of Lt. Benitez.

Canete
 APOLINARIO CANETE
