Subject: DISPOSITION OF EM, -(Attached)
To : CO, 62nd Inf, CT
(Thru CO, 1st Bn, 62nd Inf CT)

1. The following EM who has been an excess from other units and had been temporarily attached with this company, has been carried as attached for almost one month already since October '44. These EM has already been inducted into the service since the reorganization, and inspite of their separation from their former units they signifies their willingness to continue serving in the Army for they have been rendering services prior to their attachment with this command. These EM are as follows:

- a- S-Sgt. Gregorio Fernandez
- b- Cpl. Eladio Cabilitan
- c- Pfc. Jose Robles
- d- PPvt. Setero Jarana
- e- " Daniel Matalobus

2. Cpl. Cabilitan, E and Pfc. Robles, J, were originally members of this company while this unit was yet at Hubag Area. But when this company was ordered to return to Lambunac, Iloilo, they were stranded and left behind until they got sicked of malaria somewhere in Capiz and stayed there for several months. Then late of October '44, they were able to join this company (Formerly "F" Co, 3rd CT) at Lambunac, after they recovered from long illness that they have encountered thereat. While S-Sgt. Fernandez, Pvts. Matalobus & Jarana were the excess EM of the District G-2, with the exception of Pvt. Matalobus who ~~was~~ requested transfer to this company, which was approved by the CO, 63rd Inf CT, last October '44.

3. The above named-EM are presently assigned for duty accordingly, and if personal interview is still warranted by higher Hqs, they can just as well be sent over for verification and instructions.
