HQ ROME, 25 Dec '43 - - To: CO, ROME 30

1. Disapproved, except with respect to Cpl JOSE MACHANDA, Inf. ROME E. *MRS BANUA deserves this.*

2. It is noted that there is only one vacancy for T-Sgt which should be reserved for the draftsman of your S-3 Section. T-Sgt DOMINGO ESTERERA and S-Sgt MANUEL CAZEMAS have been transferred to you for the good of the service. This Hq does not countenance assigning men on indefinite Special Duty with units, for administrative reasons. ESTERERA will be the ranking HOC for your S-4 Section, while CAZEMAS will be your Chief/Cout. It is noted further that some EM are being recommended for promotion although they were promoted just recently, contrary to the standing order of the DC that an EM must be at least 3 months in his rank before he is recommended to the next higher grade.

3. The following cardinal points are enumerated in recommending EM for promotion:

- (a) EM recommended must be in their proper places or positions in the unit.
- (b) There must be a vacancy within the said section or unit.
- (c) Each EM recommended must have served at least 3 months in his present grade.
- (d) He must be deserving of the promotion, not merely because there is a vacancy.

4. Be guided accordingly in subsequent recommendations.
