*Medicine comes can't be given properly
due to lack of supply.
For the twelve days, working days
of the month physician is in town
for sufficient supply of medicine*

Note—(a) In case there are two or more dispensaries in a municipality, the names of the barrios wherein these dispensaries are constructed or established should be shown under the municipality where these barrios are comprised.

(b) Under column 12, the number of the population of the municipality to be served by the dispensary should be shown, and not the number of persons actually treated in the dispensary.

(c) Under column 13, give a brief information of the important accomplishments or shortcomings of the individual dispensary, as reported in its report Form F. H. S. 164. Likewise a brief comment or explanation should be given upon a dispensary that is newly opened or closed. If additional space is needed, the same may be placed on separate sheets.

(d) This report should be forwarded to the Director of Health not later than the 25th of each month following the month for which the report is made.

Respectfully Submitted:

Angel R. P. P. P.
District Health Officer
