TEST LESSON 2

I live in a pond where the lilies grow. The lily leaf is my chair. When the stem of the leaf breaks, I use the leaf for my boat and sail on it. Once I was a tadpole and had a tail but no legs. Now my tail is gone and I have four legs. My hind legs help me to jump far, and my webbed feet help me to swim well. I eat flies and worms. After supper I like to sing but people do not like my voice. You have guessed it; I am a frog.

1. My chair is a (a) twig; (b) leaf, (c) flower; (d) rock.
2. I live in a (a) river; (b) field; (c) cage; (d) pond.
3. My boat is a (a) leaf; (b) bark; (c) paper; (d) cork.
