UNITED STATES FORCES IN THE PHILIPPINES
SEVENTH MILITARY DISTRICT
OFFICE OF THE DISTRICT ENGINEER

1 Dec '44

AUTHORITY

TO: LT ROSARIO T. DIAO

Due to the scarcity of Class I Supplies that the DGMA in this area could not meet the needs of the Units around. The District Engineer, 7MD-authorizes his Mess & Supply Officer to procure Class I Supplies at the Army price, in preparation for the coming shortage. The DGMA at that present time had not enough stock that if we depend entirely on their collections our Unit will be running low of supplies.
