1. An information reached this Section that the Manapla Central is supplied with some 400 tons of fuel weekly, for the use of the distillery in the manufacture of alcohol. Some of our boys are again involved in this deal. This is one of the instances wherein this case was brought to our attention.

2. From race owners inside the City, comment was that our boys in the Supply unit (no specific mention) are buying palay from them at ₱7.00 a can and resell them at ₱25.00.
