MEMORANDUM to-
The Regimental Signal Officer
(Thru the CO, NNS)

1. It is desired that you take immediate steps in solving the inefficient signal communications between Sub-Sectors "I" and "B" to the Division and NNS Hqs. Messages are always delayed from these Sub Sectors.
2. Put up radio stations in these areas and an efficient courier system.
3. Expedite.

By order of Lieut-Colonel M A T A :

JOSE MA. SANSON (O-1743)
Captain, Infantry
Division Signal Officer

Teacher Mr. Ranco Date July 23, 1932

13. Employ your pupils (boys + girls) to clean the ground for at least 30 minutes daily. Let them bring bats. See that your ground is in first class condition. On my next visit, it is hoped that your ground is very clean, planted with hedges, trees, Chinquisea, etc.

14. Continue working and finishing your school fence. I highly appreciate your interest on the matter. Follow to the letter the Division Mem. No. 33, 5 1932.

15. Prepare your School Ground Improvement Plan and submit same for approval. Use Manila paper.

16. Don't fail to get the Amacan from Salomonica for the ceiling of your room. This is a very important matter and should be
