ty-four hours, the contents of all boxes, packages, or bundles; and if any shortage, breakage, or damage is then found, he should make the necessary full notation thereof in the space provided therefor on the duplicate and the triplicate copies of this bill of lading forwarded to him by the shipper. Immediately thereafter, he should send copy of such notation to the shipper for his duplicate copy. If the Division of Purchase and Supply is the shipper, it should notify the carrier of such notation. In all other cases where the shipper is not the Division of Purchase and Supply, the consignee should also send a copy of such notation to the carrier with the corresponding claim for the loss. IF ANY RIGHT OF THE GOVERNMENT AGAINST THE CARRIER, FOR ANY NEGLIGENCE OF THE LATTER, IS LOST BY THE FAILURE OF THE CONSIGNEE TO COMPLY WITH THESE INSTRUCTIONS, THE SAID CONSIGNEE WILL BE HELD PERSONALLY LIABLE FOR THE RESULTING LOSS.

6. After completing all these operations and thus complying with the requirements, the consignee should forward the duplicate copy of this bill of lading, duly signed by him, direct to the Auditor General as required by the Auditor's General Circular No. 189, last paragraph, as amended by the Auditor's Memorandum Circular dated October 14, 1927. He should retain the triplicate for his permanent file and record.

7. The carrier or claimant should submit the original copy of this bill of lading attached as supporting paper to his bill for freight charges, and retain the quadruplicate for his permanent file and record.

INSTRUCCIONES

1. Cinco copias de este conocimiento de embarque deberán prepararse y firmarse por el consignador, después de los cuales se deberán entregar al porteador o a su agente para su firma y acuse de recibo de la consignación.

2. El original y el cuadruplicado deberán ser entregados al porteador o a su agente; el duplicado y el triplicado deberán ser enviados al consignatario juntamente con la factura de los artículos consignados; y el quintuplicado se deberá retener por el consignador para su archivo permanente.

3. Al hacerse entrega del cargamento o consignación al consignatario, éste deberá ser requerido por el porteador o su agente a acusar recibo del mismo, firmando la forma de recibo que aparece en el original y cuadruplicado de este conocimiento de embarque, y sin olvidar de indicar el sitio (municipio o ciudad) y la fecha en que se recibió la consignación.

4. Si el consignatario puede personalmente recibir la consignación y firmar el recibo como se requiere arriba, debe autorizar por escrito a la persona designada por él como su representante autorizado para recibir los artículos, de acuerdo con la Circular del Auditor No. 189 de fecha 5 de febrero de 1927, párrafo número 1. En ningún caso debe ser entregado el cargamento a cualquiera otra persona sino al mismo consignatario o a su representante debidamente autorizado.

5. Antes de acusarse recibo del cargamento o consignación y firmarse la forma de recibo de este conocimiento de embarque, como consta en el párrafo 3, el consignatario o su representante autorizado deberá verificar cuidadosamente los artículos o paquetes entregados a él, comparándolos con la factura que haya recibido del consignador, anotando en el espacio que se ha provisto para el efecto, arriba de su firma, cualquiera falta, rotura, o deterioro. Deberá examinar, dentro de veinticuatro horas, el contenido de todas las cajas, paquetes, o envoltorios; y si alguna falta, rotura o deterioro descubriere, deberá hacer la necesaria anotación completa de los mismos en el espacio que se ha provisto para el efecto en el duplicado y triplicado de este conocimiento de embarque enviado a él por el consignador. Inmediatamente después, él deberá enviar copia de tal anotación al consignador para su copia quintuplicada. Si la Oficina de Suministros es la consignadora, ésta deberá notificar al porteador de tal anotación. En todos los demás casos en que la Oficina de Suministros no sea la consignadora, el consignatario deberá también enviar una copia de tal anotación al porteador con la correspondiente reclamación por la pérdida. SI ALGÚN DERECHO DEL GOBIERNO CONTRA EL PORTEADOR, POR CUALQUIERA NEGLIGENCIA DE ÉSTE, SE PERDIERE POR LA FALTA DEL CONSIGNATARIO DE NO CUMPLIR CON ESTAS INSTRUCCIONES, DICHO CONSIGNATARIO SERÁ PERSONALMENTE RESPONSABLE POR LAS PÉRDIDAS CONSIGUIENTES.

6. Al terminarse todas estas operaciones y cumplidos los requisitos, el consignatario deberá enviar el duplicado de este conocimiento de embarque, debidamente firmado por él, directamente al Auditor Insular, como se requiere en la Circular del Auditor No. 189, último párrafo, según como quedó enmendada por la Circular del Auditor de fecha 14 de octubre de 1927. El deberá retener el triplicado para su archivo permanente.

7. El porteador deberá someter el original de este conocimiento de embarque unido como parte integrante de su cuenta de fletamiento, reteniendo el cuadruplicado para su archivo permanente.
