Memorandum to-
All battery commander:

1. It has been observed that enlisted men are careless in handling their weapons when cleaning them. This results in accidents on the part of the holder. Proper care and handling of weapons must be explained to the men so that future accidents is inevitable.
2. An accident has been incurred already to one of the men of "A" battery yesterday hitting his own own-body due to improper handling of his weapon. Unit commanders must be held responsible to give more lectures on handling weapons, especially the automatic and semi-automatic weapons.
3. Compliance is enjoined.

Subject: Return of MG and Crews, Request for

To : CO, 72D

1. Request that one (1) MG Cal. 30(Air-Cooled) with the crew now with 1st Bn, 74th Infantry be returned to this Unit. Said MG was sent to the 1st Bn, 74th Infantry to help them on the attack of Moro-Moro Garrison on 5 Dec. 44. However, after the operation the MG and crews were retained by Capt. Pineda. Orders had been already issued by that Headquarters to return said MG but until now no action has been taken.

2. Similarly, one MG Cal. 30(Water-cooled) with 2 EM as crews has not returned yet from CNS. Inasmuch as there are already trained crews to replace them, request that they will be sent back at once.

3. One (1) MG Cal. 50 was retained by the Units at San Carlos Area since the start of offensive operations. Inform this Headquarters whether these arms will be allocated to those Units and that Memo receipts properly accomplished be issued by those Units to relieve this Unit of responsibilities.

4. Early action is appreciated.
