1. Your report of Bago strength of the 1st instant per your Field Mag of 2nd Feb. is EXAGGERATED rpt EXAGGERATED. Troop movement being checked up - Bagoled to South and vice versa cannot explain this sudden rise in strength. Check up of strength northern garrison does not show radical drop. On the contrary Villalba reports steady strength. No significant naval arrival either. How did you get this report? Did you consider housing facilities in your report? When are these Bn disposed?

2. RECHECK RPT RECHECK this report and support findings with arrivals by naval or troop movements.

3. Acknowledge receipt and rush verification.
