THIRTY-THREE EXERCISES (Gr. II-VII)

in the yard	the first bird	going to live	did not make
a fine place	eat the plants	make a nest	you are right
one morning	the same color	as his wings	to a farm
some white chickens	see the fins	wanted to eat	could not fly
with a worm	all the babies	is hard work	feed the hens
carried it back	like to watch	that have hair	from their mothers
use their fins	want to see	swim in water	swim and play
all the time	eats many bugs	we can find	to move with
they come out	some animals	coats for winter	taking crumbs in
many tiny rooms	get more crumbs	on each seed	for the wind
from each seed	store up foods	began to grow	after a while
let me see it	a short stem	do you know?	grow from them
a big drink	shows the page	is coming up	more about it
took the tree	put the roots	a good place	the back yard
and some day	will fall off	give you some	is very big
you can tell	a good time	basket of lunch	was so bright
across the sky	tell the names	saw the moon	all the time
do not die	from the stars	in the evening	on cloudy nights
see many stars	change the color	of the blade	the maple leaf
hard to see	taking a walk	at the window	said his mother
looks bright	so many stars	lived far away	like the trees
could see them	little flower pots	to grow inside	the green yard
where I live	ready to go	I get home	said the cat
call the boys	ask the birds	help me cut	swing it high
a yellow bird	sings sweetly	Rizal's birthday	to the program
to invite him	run to the house	hide in the corner	awake him up
cut the weeds	plant the seeds	water the plants	build fire
am I ready?	wash my hands	wash my face	comb my hair
pencil and paper	a long time ago	day before yesterday	last night
after the class	before going home	after eating	sleep long hours
the following day	the following day	the following day	before going to bed
